H Norte Maar Moves to Cypress Hills

When: Opens Saturday, June 4, 6–10pm

Where: Norte Maar (88 Pine Street, Cypress Hills, Brooklyn)

You may associate Norte Maar — the arts organization that originated Beat Nite — very firmly with Bushwick; if so, you would not be alone. But Norte Maar has relocated to Cypress Hills, and this weekend will [inaugurate its new gallery space](#) with an exhibition by Kris Graves. The show features his [Testament Project](#), in which Graves attempts to portray young black men authentically, through sober photographic portraits and videos of them telling their stories.
