East Tosa - Location, Location, Location

By Renee Fensin

Location, location, location, we've all heard the phrase. Location affects value, the more desirable the location, the more value businesses and homes have. Right now East Tosa seems to be having its location, location, location moment.

East Tosa is a vibrant community with its mix of beautiful homes, tree-lined streets and diverse businesses. Residents have long known that this is a desirable location. North Avenue is the heart of East Tosa. The residents take great pride in North Avenue and its businesses.

The City of Wauwatosa recognized the potential of North Avenue in East Tosa and developed the North Avenue Plan to help guide development. In the past few years, North Avenue has become home to many exciting new businesses, making our part of Wauwatosa a sought after location. We spoke with some of the existing and new businesses on North Avenue to see why East Tosa has become the answer to the business location, location, location question.

In the beginning, the development was organic. Many businesses were started by East Tosa residents who saw the benefit in supporting and being supported by the local community. Jessica Brittingham and Deb Kruse, the owners of U-Turn said "We chose to open U-Turn in East Tosa because we wanted to stay in our community and as residents we already saw the potential that North Avenue and the community had to offer. Like many residents, we were tired of seeing empty storefronts and businesses coming and going. We wanted to be a part of the solution and the stability of the neighborhood."

Commitments like that brought strong businesses to the area. As more

Hope to see you there!

Hello Neighbors! It's great to be arms deep into summer! With the beautiful weather and everything green, it's hard not to love this little piece of heaven we live in. I've been amazed at the growth of businesses down our little stretch of North Avenue. Sometimes I try to count up all the things I could do within a one mile walking distance of home. There are so many things I have access to right here that I quickly loose count. There are too many unique businesses to list and they are all serving a purpose, helping to make our neighborhood so great. Be sure to patronize our local businesses as often as possible. We want them to always feel welcome and remain a staple of our community.

Did you know the local business advertisers in our newsletter help to cover the cost of producing this great information resource? Our volunteer network of distributors is hardcore and delivers to your doorstep four times a year, regardless of weather conditions. This silent army of helping hand volunteers distribute to over 2,300 households, all one block at a time. In most cases, it's as simple as delivering to the 20-25 houses on their block. Others cover a few blocks for those that do not have a distributor. Thanks to their dedication, we're able to communicate organized activities and neighborhood happenings directly to you. We are always in need of distributors. Please consider contacting our distribution coordinator and volunteer to distribute to your block if you can. We have a bunch of great events planned this year and we want to be sure everyone knows when and where to be.

I look forward to meeting you at any of the upcoming neighborhood events this summer!

Association Annual Meeting Held at Cranky Al's

The Tosa East Towne Neighborhood Association Annual Meeting was held on April 17th. Neighbors gathered to hear all about the happenings in our neighborhood.

Sergeant Liest of the Wauwatosa Police Department spoke about how neighbors can work with police to reduce crime in East Tosa by being observant of their surroundings. Another good way to get involved is to become a Block Watch Captain (see article on this page for more information on Sgt. Liest's talk).

Our Aldermen, Bobby Pantuso and Joel Tilleson discussed the exciting changes happening in our area, from the changes to the North Avenue traffic flow to the new development happening along North Ave. Bobby Pantuso also unveiled the potential reimagining of Center St. Park (see pg. 4 for more information).

Ed Haydin, from the East Tosa Alliance was on hand to discuss the inaugural East Tosa Gran Prix. He also discussed the Alliance's desire to make East Tosa more pedestrian and bicycle friendly. Areas that are multi-modal (open to more means of transportation) tend to have more economic growth, which would be very beneficial to our area.

The annual TETNA scholarship was also awarded to the recipient, Erin Cannon (see pg. 8 for more information on Erin).

Finally, the Association elected its officers and board of directors. As you can see the position of Vice President is still open. If you love East Tosa and want to get involved, please contact Jason Odrzywolski at jasonod-sky@gmail.com.

See Something? Say Something!

By Sarah Hunt-Frank

When Paul Liest first started coming to the Tosa East Towne's Annual Meeting, he was "Officer Liest". Now when he comes, we have to remember to call him, Sergeant Liest!

He always has wonderful things to say about our neighborhood, but also some tips on keeping the neighborhood safe.

Milwaukee Police do not respond to all calls, like burglar alarms, etc. But the Tosa Police respond to every call. They give a constant effort to keep Tosa as safe as they can and to displace crime. As Sergeant Leist is known to say, we cannot stop crime; we can only displace it. So displace it by eliminating the opportunity for crime to happen on your property, in your car, in your neighborhood. If the perpetrators find they get caught when they attempt criminal activity in Tosa, they will go "somewhere else."

When the Tosa Police apprehend a perpetrator, they study his Method of Operation (MO) and are often able to solve past crimes by looking at how the other crimes match up. Many times, one arrest can lead to solving several other cases.

Our neighborhood is head-of-the-class in notifying the police of suspicious activity. This is very important for preventing or solving past crimes, and quick apprehension of criminals. If you see anything unusual or suspicious, do not approach them. Just call 911 as soon as possible for an officer to be dispatched to the scene.

TETNA was the first neighborhood in Tosa to fill all of the Block Watch captain positions. This is certainly a source of pride and shows the pride of our neighborhood. We now have a few vacancies.

2400 block of North 60th,

2500 block of North 70th,

2400 block of North 63rd,

2300 block of North 66th

If you live on one of these blocks and would like to be a Block Watch captain, call the police department and let them know. Duties include keeping contact with the police and delivering the newsletter, (which some Block Watch captains deliver along with the TETNA newsletter.)

Sergeant Leist added with a twinkle in his eye: If you do not know who your Block Watch captain is, look for the Tosa Night Out signs in the yard - that is probably your captain!

Re-imagining Center Street Park

By Bobby Pantuso
5th District Alderman

The memories are probably a bit exaggerated or I was much shorter, or both. But there used to be a giant metal slide at Center Street Park. It was so tall that I was mostly afraid of it. It used to get scorching hot in the summer sun and the combination of heat and friction burn that it caused as well as rain and rust contributed to its demise. Center Street Park was my park when I was growing up. I remember picnics with my Mom and brother, walking there on my teenage babysitter's shoulders, and some sort of vending machine that sold grape soda.

The park has aged since those days in the late 1970s and early 80s when it was my romping ground. The ginormous metal slide has long been replaced, and even its replacement is reaching the end of its usable life. The community building is under-utilized and now has a mesh layer over its windows making it terribly uninviting. Inside its in great shape (probably because its never used) The baseball diamonds are fading away, in need of

a team to play on them. Center Street Park just needs someone to love it

Imagine a park that is a neighborhood gathering place; baseball and soccer games, picnics under a pavilion, a fun new playground full of imagination and adventure, adult kickball, neighborhood garage bands playing for families on blankets, a movie under the stars, winter afternoon skating, and a place to stop and smell the roses.

It's time to re-imagine Center Street Park.

The first steps towards Center Street Park's new life were taken on Wednesday May 29th. Over 40 East Tosa residents met at the Center Street Park building to discuss what the park could be and how to achieve that dream. Jim Keegan, acting county parks director was on hand as well as Jim Goulee executive director of The Park People. Other elected officials were also in attendance. The most important thing was the show of support from residents. It was energizing and encouraging. I am excited to begin this adventure and see where we can go!

Learn more about plans for re-imagining Center Street Park at <https://www.facebook.com/groups/centerstreetpark/>

Residents and officials meet in the Center Street Park Pavilion to discuss the park's future.

We asked Tosa East Towne residents what their favorite part of living here was. Here are some of their responses.

Safe neighborhoods

The ability to walk to restaurants, bars and the movies

It's a great place to raise kids

A quick commute to downtown

Great schools

Friendly neighbors

Longfellow PRIDE

How do you teach Middle School students to be positive members of a community? Longfellow uses a process called **PBIS**.

PBIS Stands for Positive Behavioral Interventions and Supports. PBIS is the process that all schools in the district are using to establish a culture in which all students can achieve social, emotional and academic success. What makes PBIS different from many other discipline programs is its focus on teaching students appropriate behaviors, and then reinforcing them when they exhibit these behaviors.

The PBIS team at Longfellow has established three core values that students are expected to honor at school, and represent what is called "Longfellow

Pride". These core values are:

- Respect Yourself*
- Respect Others*
- Respect Your Environment*

Students are asked to follow these core values in all settings at school including the classroom, hallways, bathrooms, locker rooms, the cafeteria and the school grounds. Different incentives are used throughout the year to reinforce positive behaviors. For example, when a teacher observes a student going out of their way to help another student or staff member these examples of Longfellow PRIDE are read over the morning announcements and posted on a special bulletin board.

Working together to reinforce what students are doing well is just one of the ways that Longfellow is helping to prepare students to be better members of our community.

East Tosa—Location, Location, Location
Continued from pg. 1

businesses opened in the neighborhood, others began to see North Avenue as an option for a new business or to expand existing businesses.

Local resident Kristyn St. Denis and her business partners, Scott Johnson and Leslie Montemurro, have opened several restaurants in hip locations such as the East Side, Riverwest and Bayview. Wauwatosa naturally seemed like the place to explore for their next venture, expanding BelAir Cantina. St. Denis was a driving force for this idea since she has lived in Tosa for the last decade, and has an understanding of the needs and wants of the community.

"Our friends and acquaintances living in Tosa continually asked, "When is BelAir coming to Tosa!" said St. Denis. "I was constantly scouring the streets for possible locations." They finally found the perfect spot on 68th and North Avenue and construction began earlier this year.

"It definitely took some vision to see the old Aqua Terra (and previously car dealership!) as a restaurant. But now that it is complete, I think anyone can see what a great choice the location was," said Montemurro. "The Village of Tosa is a great neighborhood, but we are really excited to be a part of the development on North Avenue. North already has a great strip of restaurants, and it's awesome to be a part of that."

The businesses on North Avenue have found strong support from the local community and they support the community in return. That is evident in the businesses that support TETNA events such as Run Tosa Run and advertise in our newsletter. Local businesses were also early and strong supporters of the East Tosa Gran Prix. As Brittingham and Kruse put it "We have enjoyed getting to know our neigh-

bors and bragging about our community to people visiting the area for the first time. East Tosans and surrounding neighborhoods are very loyal. We enjoy supporting local artists who sell their craft in the shop, helping neighborhood schools and organizations, and providing quality clothing and accessories at a reasonable cost. We put a lot of dedication and love into our shop."

The dedication, passion and commitment of the business owners has been repaid by the local community's support of those businesses. The local community's support has helped these businesses grow and attract consumers from out of the area.

Pioneer restaurants such as Il Mito and Juniper 61 made North Avenue an attractive location for BelAir. The presence of BelAir and Sherbrooke (the former Shepherd's) will bring new consumers to North Avenue. Those consumers will discover boutiques such as U-Turn and LaDy In RED and other local businesses. More and more people will discover all that East Tosa has to offer.

With all of the exciting changes that have happened and the increased exposure through the East Tosa Gran Prix, we can't help but wondering what is next for North Avenue and its location, location, location moment.

Meet the TETNA Board

The TETNA Board is made up of your friends, neighbors and people who really love living in East Tosa. We'd like to take this opportunity to introduce the board to you.

Jason Odrzywolski is the Board President. Jason moved from Phoenix, Arizona to Wauwatosa in 2002 to raise his family. A few years later, in 2006, he purchased a home here in East Town. He and his wife love how many great businesses they have access to within walking distance and they enjoy seeing neighbors out and about daily. His professional career is in Business Intelligence and Data Warehousing. Jason had the honor of serving Tosa East Towne for the past seven years as part of the board, as vice president and now for a second year as president. Jason enjoys outdoor activities like bicycling, hiking, fishing and camping to name a few. He feels Wauwatosa is a great place to live and raise children and appreciates the strong sense of community in our little piece of Tosa.

Sarah Hunt Frank is the Past President. She moved to the house on 2300 block of North 62nd in 1999, right after the birth of her first daughter. First, she fell in love with the house, and then she fell in love with the block and then the neighborhood.

Sarah saw the TETNA newsletter and joined a playgroup. She coordinated Family Fun Day in Center Park for TETNA, for 5 years. She served as President for 5 years. Now she can't wait to see what else is in store for her and the neighborhood.

Nancy Hall is the Secretary. She and her family moved from Los Angeles to Wauwatosa in 1998. They first lived in a Glenview Avenue duplex until 2006, when she and her sons moved to East Tosa. In looking for a home, she wanted a neighborhood that was lively, walkable, affordable and safe. It was also important that they live within the boundaries for Tosa East as Tim was still in high school. Nick was attending UWM and wanted to be near a bus line. East Tosa turned out to be the best fit and they've loved living here. She is enjoying the improvements to our neighborhood. Every new shop or restaurant makes this a more exciting place to live.

Tiger Beyer, Board Member. Tiger and his wife bought their house about 20 years ago. Tiger and his wife Teri love living in Tosa East Towne. They enjoy how close we are to all parts of our city. Tiger organizes the TETNA adult social each year at the Kneeland-Walker House and hopes you'll be a part of it in November.

Bobby Pantuso, Board Member. Bobby is an East Tosa native and resident on Lefeber. He lives here because he couldn't imagine living anywhere else with our awesome shops and restaurants, terrific school, and the best neighbors you could ask for. He is also proud and honored to represent the neighborhood he grew up in on the Wauwatosa Common Council

Renee Fensin, Board Member. Renee and her husband bought their house 14 years ago because the neighborhood just felt like home. The arrival of her children reinforced the fact that East Tosa was meant to be home. Renee loves her friendly neighbors and the ability to walk to restaurants, shops, the park and school. Renee enjoys writing and loves to share that with the neighborhood through the newsletter.

Cindy Anderson is one of the newest members of the Board. She has lived in EastTosa with her husband Mark for almost 16 years in a bungalow across from Center Street Park. They have 2 daughters, Claire (13) and Holly (11).

Cindy is a French teacher by profession, so for the past 10 years she has spent much of her time in the schools, volunteering in the classroom and serving on the PTA Board at both Roosevelt and Longfellow. She has also been a Girl Scout Leader for both of her girls' troops. One of Cindy's favorite things about East Tosa is that it is a walking neighborhood, with tree-lined streets.

Christina Piel is another new addition to the board. Christina has lived in East Tosa for 15 years with her husband Jonathan and their three children. She has served as PTA president at Roosevelt and Longfellow and led many events at both schools. Her family loves East Tosa so much that when they outgrew their house, instead of moving, they decided to add a second story and stay! Currently, she organizes the neighborhood book group, leads a Girl Scout troop and loves the Fun Run and Chilin' on the Ave. As her children get older, she is excited to continue to support the community by serving on the TETNA board.

TETNA Block Party and Movie Night in the Park

August 24th · 3:00 PM
Center Street Park

Summer is the reason we live in Wisconsin. The warm weather and sunshine more than make up for those cold, snowy days of winter. Summer means that the neighborhood is no longer in hibernation. The warm weather draws people from their homes. Kids are playing outside, neighbors catch up over an ice cold beverage.

The TETNA Block Party and Movie Night in the Park captures that essence of summer. It's the perfect opportunity to catch up with your neighbors, make new friends and enjoy some family friendly fun in the sun.

The festivities kick off at 3:00 at Center Street Park located on Clarke Street between 65th and 64th Sts. There will be fun and activities for all ages. Channel your weekend warrior and join in a friendly game of softball or volleyball. Watch the kids swing, jump and play on the playground. Pull up a park bench and enjoy some good cheer with friends and neighbors.

Make sure you bring your appetite, as our volunteer grill masters will be cooking up hot dogs and brats. Proceeds from the concession sales will benefit the association's scholarship fund.

There is no need to head home when it gets dark. That is when the fun really begins. Recalling the days of drive in theaters, we will enjoy a family friendly movie in the open air. The show will start at dusk and we have popcorn available for purchase at movie time. Be sure to bring your blanket or lawn chair so you can get comfortable and enjoy the film.

Hope to see you there.

Youth Service Directory

How many times have you said to yourself I wish I had someone to mow the lawn, rake the leaves or shovel the snow? How many times have you wished you could find a babysitter or mother's helper to give you the break you need?

How many times have you heard your teens wishing they could earn some money?

The TETNA youth services directory is here to help. Youth can list the services they are willing to perform. Residents in need of help can access the directory to find the help they need. The residents and youth will then contract amongst themselves for the service.

Email Sarah Hunt-Frank at slhuntfrank@gmail.com to get on the Youth Directory. This directory is distributed to Tosa East Towne NA families only and will not be given to anyone outside our neighborhood or released online. Privacy and discretion will be administered.

TETNA Scholarship Awarded

For the past several years, the Tosa East Towne Neighborhood Association has funded a scholarship which is awarded to a neighborhood high school senior who is planning on furthering his or her education. The scholarship is funded through members' donations and by concession sales at the Block Party. The scholarship committee awards the scholarship to the applicant who best exemplifies community involvement.

This year's winner is Erin Cannon, a senior at Wauwatosa East High School. Erin has participated in dance and theater. She has also volunteered at a local food pantry, with Habitat for Humanity, has taken part in mission trips and is active with her church and Key Club. In her own words "all of these things have helped to make my community a safer and more welcoming place to live."

Congratulations Erin and best of luck with your future endeavors.

VOLUNTEERS MAKE THE NEIGHBORHOOD GO 'ROUND

Those of us living in Tosa East Towne know this is a special place. We are blessed with friendly neighbors and vibrant local businesses. The Tosa East Towne Neighborhood Association strives to represent the uniqueness of the neighborhood. One of the ways TETNA does this is by organizing events for the neighborhood to enjoy. However, the board cannot run these events alone, we need your help.

If you are very organized or love throwing parties, you can volunteer to chair an event. If you want to do something but don't have a lot of time, volunteer to help on the day of an event. Every little bit helps make these events something the neighborhood can be proud of. We are specifically in need of volunteers for the following events:

TRICK OR TREAT CO-CHAIRS

Trick or Treat is one of the most popular and anticipated events that TETNA sponsors. Wendy Swenson and Jenny Farr have been co-chairs of this event for the past 5 years. They are looking to hand the reigns to someone new. The co-chairs would coordinate volunteers; oversee registration; purchase and handout candy to participating homes and perform other tasks as needed.

EGG HUNT CHAIRPERSON

The Spring Egg Hunt is a wonderful event for the littlest TETNA residents. The parents can relax and enjoy coffee while their children find the eggs and discover the treats hidden within. The chairperson would order the candy and trinkets for the eggs. He or she would collect eggs after the event and order more eggs if necessary. The chair would also coordinate the volunteers helping stuff and hide the eggs.

ADVERTISING SALES COORDINATOR NEEDED

In order to offset the printing costs of this newsletter, we rely on the support of local advertisers. We are looking for a volunteer to contact area businesses about advertising in the newsletter. You would also contact existing and past advertisers regarding contract renewal.

If you are interested in chairing or co-chairing an event, please fill out the volunteer form or contact Sarah Hunt-Frank at 774-1813 or slhuntfrank@gmail.com

Active Aging: Being Engaged in Life

By Jessica Ramel, Certified Community Health Education Specialist

Wellness Coordinator at Lutheran Home and Harwood Place

In 1900, the average life expectancy was approximately 47 years, while today's life expectancy is roughly 78 according to the Centers for Disease Control and Prevention. It is estimated that women who now reach age 65 will have an average life expectancy of almost 85 and men who make it to 65 can expect to live to 82. Longer life expectancy brings with it the need to maintain a healthy body and brain as the foundation for leading the fullest, most productive life possible.

As an older adult, regular physical activity is one of the most important things you can do for your health. It can prevent many of the health problems that seem to come with age, such as osteoporosis, arthritis and muscle weakness. It can also greatly reduce your risk of having a fall. Being active also helps your muscles and your mind grow stronger so you can keep doing your day-to-day activities

without becoming dependent on others.

Without exercise, the heart, lungs and muscles work less efficiently together. When that happens, the brain gets less of the blood, oxygen and glucose which are vital to its functioning. Further, lack of physical activity is a risk factor for heart disease, diabetes, cancer, stroke, obesity and high blood pressure, which also have an effect on brain function.

If you have a health condition such as arthritis, diabetes, high blood pressure or heart disease, it doesn't mean you can't be active. In fact, it's just the opposite. Regular physical activity, even as little as 20 minutes of physical activity broken down into two 10 minute segments, can greatly improve your quality of life and even reduce your risk of developing other conditions.

Run Tosa Run – Let’s Keep Moving

After a successful 2012 race, Run Tosa Run is in need of some help to continue in 2013 and beyond. Last years’ coordinators, Dave and Kelly Ruzicka are unable to organize the race this year. We are in need of some volunteers to step up and keep Run Tosa Run going.

Are you an avid runner looking to share your passion with others? Are you a natural organizer? Are you looking to get involved in a project that gives back to the community? If so we need your help to make the 2013 version of Run Tosa Run a smashing success.

We are looking for people to step up and chair this wonderful event. The chairs and their committee would work with the city and police department to obtain the necessary permits for the event, obtain sponsors, get t-shirts and registration packets and perform other tasks as needed.

This is a wonderful event that has drawn interest from the neighborhood and beyond. We need your help to make the 2013 version bigger and better.

If you are interested, please contact Sarah Hunt-Frank at slhuntfrank@gmail.com or 774-1813.

Groups – It’s More Fun with Friends

We all have hobbies or activities that we enjoy; cooking, jogging, crafting, walking, reading, knitting, biking, playing cards, you name it.

Some of those activities would be even more fun if they were shared with friends and neighbors. Playing solitaire is nice but sheepshead or poker with friends would be better. It’s easier to get motivated to walk, jog or bike when there is someone else to cheer you on. Trying out that new recipe you found on Pinterest would be even better if you had someone else bringing appetizers and dessert.

The Tosa East Towne Neighborhood Association would love to help neighbors connect with other neighbors with similar interests. If you have a group that is looking for new members or you would like to start a new group, please fill out the Groups Interest Form below or contact Sarah Hunt-Frank at 774-1813 or slhuntfrank@gmail.com.
