## Annual Nighttime Trick-or-Treat

SATURDAY, OCTOBER 27  
6:30 – 8:30 PM  
RAIN OR SHINE

TETNA's popular nighttime trick or treat "spooktacular" offers a safe and fun alternative to the city of Wauwatosa's daytime event.

This event is for Tosa East Towne members' children ages 14 years and under. You must register to participate and all children must be accompanied by an adult while trick or treating.

And, as a friendly reminder, please don't forget that along with the registration fee we ask that you bring in a 50-piece bag of candy per child. In recent years we've noticed a decline in candy donations (perhaps the economy?). It's important that everyone donate so the burden doesn't fall upon your neighbors who pass out candy. We want to encourage as many households as possible to hand out candy, but we can't do it without your help. Each year, TETNA purchases at least two shopping carts full to supplement what you bring in. This is especially helpful on busier blocks, as those of you know. We thank you for your participation!

### TRICK OR TREAT BLOCKS

2400 and 2500 Blocks from 62nd to 67th and 69th to 73rd Streets. The blocks closest to Center Street and North Avenue, and all of 68th Street are excluded for traffic safety reasons.

### NO TRICKS—ONLY TREATS

- Donate candy that you and your family would enjoy.
- This is a family event, so please behave accordingly.
- Respect for neighbors and their property is a key aspect of the quality of life in East Towne. Please don't leave candy wrappers (or anything else) on neighbor's lawns.

## HELLO NEIGHBORS!

With the changing of the seasons, we're bringing in our last harvests from the garden and getting ready for winter, clearing out the last of the garden trimmings and making sure the snow blower's tuned and ready. How wonderful to roll into fall knowing we have such a great event to cap off the summer and fall months, nighttime Trick or Treat.

As a kid, I remember going out on Halloween night, no matter what night of the week it was. Staying out late and roaming the neighborhood was all part of the experience. It's just how we did it. Times have changed and we're very fortunate the city allows our neighborhood association to recreate a similar experience for our children by hosting the nighttime Trick or Treat as an organized event.

In order to make this event happen and keep it going for years to come, we've put in place a certain level of organization to help keep the event safe and family friendly, and to disperse the cost/effort. On a serious note, our event is intended for neighbors only. We just can't include friends and family who don't live in our neighborhood. This is for a number of reasons, which I'll explain below.

We've concentrated Trick or Treat on the two blocks between Clarke and Meinecke, away from the main streets of Center and North. That way our kids are off the busy thoroughfares and parents can worry a little less at street crossings.

Concentrating the event also puts an added financial burden on our neighbors volunteering to hand out candy on those blocks. That's why we ask for a set number of candy pieces per participant, so we can distribute them to the volunteer houses. Did you know some homes still buy additional candy to make sure they don't run out early? What nice neighbors we have! Please keep them in mind when selecting your participant candy and make sure the candy count meets or exceeds the count per child requested. We've also adjusted the participant cost to more evenly distribute the cost to all participants, regardless of household size.

We also need liability insurance for this type of event. It's an important component to keeping this event viable for many years to come. By limiting the event to those we serve, our neighbors in our neighborhood, we're able to keep the costs of the event down and manage the liability of our neighborhood association. This is an unfortunate necessity that comes with the times we live in.

So enough about the "why we do it," lets concentrate on the great memories our kids will have thanks to the dedicated volunteers who make Trick or Treat happen every year. I'd like to thank in advance all our volunteers who help make it possible. Be sure to share your thanks with them when you stop by registration.

Let's not forget the other great events we've hosted for the neighborhood this past year; the organized rummage, the neighborhood block party and movie in the park, the neighborhood charity run and many more. Look for these events plus more in 2013 and get them on your calendar.

Remember to help out neighbors, clearing snow and ice when you can, and pitch in to keep the main walking paths toward the grade school and North Avenue free of ice. That will encourage more of us to get out, walk, and chat with neighbors, even in the cooler months.

Kind Regards,  
Jason Odrzywolski  
President, Tosa East Towne Neighborhood Association

### Tosa East Towne Neighborhood Association Philosophy

To provide a welcoming and nurturing environment, and to maintain the quality of life and sense of community through shared interests and neighborly interaction.

# Groups – It’s More Fun with Friends

We all have hobbies or activities that we enjoy. Some of those activities would be even more fun if they were shared with friends and neighbors. Playing solitaire is nice, but sheepshead or poker with friends would be better. It’s easier to get motivated to walk, jog, or bike when there is someone else to cheer you on. Trying out that new recipe you found on Pinterest would be even better if you had someone else bringing appetizers and dessert.

The Tosa East Towne Neighborhood Association helps neighbors connect with other neighbors with similar interests. If you have a group that is looking for new members or you would like to start a new group, please fill out the Groups Interest Form on this page or contact Sarah Hunt-Frank at 774-1813.

## THE TOSA EAST TOWNE GARDEN CLUB

The newly formed Garden Club met at a resident’s house to peruse the landscaping. The gardens were mostly shady areas utilizing low-maintenance shade-loving plants like various hostas, astilbe, ajuga and pachysandra.

The residence also boasted a Victory garden with green beans, tomatoes, zucchini and swiss chard. Herbs, such as chives, mint, basil and rosemary, were interspersed throughout, tucked in corners and featured in the easy-to-reach areas. Pest-inhibitors like marigolds, nasturtiums and onions were strategically planted to spread the resistance across the entire garden. Rain barrels collect and store rainwater for future use or for constant seepage into soaker hoses.

A goldfish pond in the rear was a focal point with water lilies and several “feeder fish” that have grown to enormous size in the 75-gallon pool. A small fire pit graced the center of the backyard, where the family gathers for songs and s’mores.

An event is underway for March to help people plan for spring planting and to have more “green” ideas on keeping a beautiful lawn and landscape.

Want to join them next time? Watch Facebook, Twitter or tosaeasttowne.org to see when they are gathering again, or to be put on the email list.

### REGISTRATION LOCATION & TIMES

Register from 6:30 – 8:00PM on Tuesday, Oct. 23 or Thursday, Oct. 25, and 8:30 – 10:00AM on Saturday, Oct. 27, at Bethany Calvary Church, 7265 W. Center Street. Enter through the doors on Center Street and look for the signs.

At registration, please bring an item to donate to Bethany Calvary Church's food pantry: canned goods, dry foods, personal care items

### REGISTRATION REQUIREMENTS

- Completed form
- A LARGE, factory sealed bag of candy for each child being registered.  
Please pick quality candy with at least 50 pieces per bag. For example: 2 kids = 100 pieces of candy; 4 kids = 200 pieces of candy, etc.
- \$10.00 annual family membership fee

Don't forget to pick up your glow sticks and info maps after you register!

### MEMBERSHIP HAS ITS PRIVILEGES!

Due to insurance restrictions we do not offer a non-member participation option. All participants must be members. This event is not open to people who live outside our neighborhood and people who actively choose not to be members. Because all other members-only East Towne events are free, the association board decided to remove the \$2.00 per child fee. We hope you like this new budget cut!

### CROSSING GUARDS

If your home is not in the designated area, but you would like to distribute candy, please consider volunteering as a crossing guard at an intersection. Get into the spirit and wear a costume if you like! Adults and teens can help... this is a fun service project for scout troops, church groups, etc.

### VOLUNTEERS

Be involved in Tosa East Towne's most exciting event of the year. Volunteers are needed during registration and distribution of candy to homes. This requires only one to two hours of your time to make a big difference in the success of this night.

Contact Wendy Swenson at 453-0624 or email swenson7@sbcglobal.net and Jenny Farr at 302-4653 or email jenfarr14@gmail.com to volunteer or get more information.

# City Dog Life: Games to Play with Your Dog

BY LAURA HOLDER

Living in the city can present special challenges for dog owners and their pets. While in other settings dogs have room to run through a field, swim in a stream, or chase something furry to their hearts' content. Here we must find appropriate ways to stimulate and engage our dogs' brains and bodies. You can try fun games even in the smallest yards and apartments that tap into your dog's natural instincts!

## OWNING A DOG IN THE CITY OF WAUWATOSA

### LICENSE LAWS

Dogs and cats are required to be licensed by March 31 of each year before the pet reaches six months of age or within 30 days of Wauwatosa residency. Proof of rabies vaccination must be given before licenses will be issued. License tags should be attached to a collar and kept on at all times.

Licenses are available at the Milwaukee Area Domestic Animal Control Commission Office, through the MADACC website, or at the Treasurer's Office. The fee is \$12 for a neutered or spayed animal and \$24 for an unaltered animal.

### NUISANCE LAWS

The maximum number of both dogs and cats over the age of three months is limited to a total of three animals, with no more than two of either species being female.

Frequent or habitual noises by animals are prohibited and may be considered a nuisance.

Owners or dog walkers must carry a feces scoop and shall be responsible for its acts on either public or private property. Property should be cleaned up immediately. Dogs and cats must be maintained in a clean, healthy, and sanitary environment.

Animals may not run at large. Leashes may not exceed 10' in length for leashed animals.

### ANIMAL BITES

Report all bite incidents to the Wauwatosa Police Department at the non-emergency number (414) 471-8430. The police report will be sent to the Wauwatosa Health Department for investigation.

## DIGGING

Does your dog love to dig everywhere he shouldn't? Digging is pure pleasure for many dogs, and a pure pain to the city gardener or tenant dealing with a tiny space. Rather than scolding your dog for something he so clearly enjoys, how about giving him a designated digging area? Whether a section of the yard, a small kiddie pool or sandbox with a lid, fill an area with sand and, when your dog isn't looking, hide a few toys, tennis balls, and/or bones in the sand.

Show your dog where to dig—dig a little yourself and talk in an excited voice if he needs encouragement. Don't be afraid to act a little silly! The more excitement and interest you exhibit, the more your dog will get into the game! Very soon that patch of sand will become everybody's favorite place in the yard. Be aware that some dogs really like to throw sand around when they dig, and you may have to sweep or rake sand back into the box from time to time. Re-bury the toys at night so your dog has new treasures to find each day.

## HIDE AND SEEK

Really! Your dog will love it. If you have a young puppy or a new-to-you adopted dog, start by hiding in the next room or on the other side of the couch and calling her. You don't want to frustrate your pooch by making it too hard at the beginning, so make it easy. When she comes galumphing in to where you are, tell her what a good girl she is and give her a few treats to reinforce the idea that finding her human is a wonderful thing.

Once she is really into this game, you can play all over the house and yard (on a long leash if you don't have a fenced yard for safety). Again, make your hiding places easy at first, and always be very excited when she finds you. As she gets the game, you can make your hiding places harder and more interesting. This is a great game for kids to play with their dog, and uses up a little kid AND dog energy—never a bad thing.

These games are just the beginning! Take a look around and be creative with "props" that are in and around your house!

RESTAURANT REVIEW

# Yummy Mexican Goodness Coming To A Corner Near You

BY BOBBY PANTUSO

If you have not been to Bel Air Cantina before, I hope you will give it a try when they make a new location on 68th and North Avenue next spring. It will be definitely worth your while.

The first thing you will notice about Bel Air is the attitude, the mood and atmosphere when you walk in is fun and trendy. It's a place where you know you'll have fun. If you are a tequila fan, you will probably never want to leave, three words—The Tequila Society.

Bel Air is NOT your "traditional" Mexican restaurant. It is a Mexican Fusion restaurant. Fusion is a culinary term to describe the melding of two types of cuisine; Italian Nachos, Vietnamese Spaghetti Bolognese, the California Burger for example. Bel Air Cantina does that effectively and efficiently.

The menu has some standard fair, chips & salsa, guacamole and tacos with Bel Air's flavor twists. Where your tongue will part with the ordinary is when the flavor gets kicked up to a new level. The Arbol Salmon, grilled salmon topped with arbol chili sauce and citrus slaw, is a delightful mix of flavor and texture. Asian pork as a meat choice for your tacos is a perfect example of Fusion, bringing two cultures together on your palate. The Korean Beef fajitas are quite the dining experience. The perfectly tender and seasoned meat melts in your mouth.

I have always been impressed with the portion size for the value at Bel Air. We always leave with leftovers and they re-heat nicely the next day for lunch. That way you get to enjoy your experience a little longer.

Soon you can walk there and enjoy all this yourself. But for now you can dream...or head down to their first location on Milwaukee's East Side.

# WE SPECIALIZE IN RENEWABLE ENERGY

We know kids. The bursts of excitement. The exponential enthusiasm. And the silly giggles that spread from one to another. We know their apprehension when trying new things. The encouragement they need. And their beaming pride when they've mastered a new skill. But more than anything, we understand that their energy is better off expended than contained.

At the Y, we focus on developing the whole child, inside and out. Giving them a positive environment to run and bounce and play. Instilling in them our core values of honesty, caring, responsibility and respect. # Roosevelt School News

## HELLO FROM ROOSEVELT!

First and foremost, thank you so much for your continued support of Roosevelt in the community! One of the main reasons I enjoy living here is the feeling of community—not only within our school but throughout our East Towne neighborhood. Here are a few upcoming events that community members can participate in.

Once again we will be holding a Box Tops drive in January to help support the multiple programs we do for the students, staff, and parents at Roosevelt. We are also continuing our milk cap collection. Our special education students will be counting them again for us as part of a school project – even more incentive to send them in! If you could, please keep any box tops and/or milk caps you find and drop them off at the school or contact me and I will be happy to pick them up for you.

The Memorial Jake Aldrich blood drive is on October 6<sup>th</sup> from 9:00AM–2:00PM at the school. While appointments are suggested, drop-ins are welcome, so feel free to join us and help a great cause!

Lastly, the community is invited to the Scholastic Book Fair on Tuesday night November 27<sup>th</sup>. This is a great chance to purchase books for the holidays.

## ROOSEVELT INTRODUCES THE WALKING SCHOOL BUS

Starting this fall, you will see a new type of school bus delivering kids to school at Roosevelt, the Walking School Bus. Modeled after similar programs around the country (and at McKinley Elementary), the program provides the opportunity for children to walk to school with their friends in groups supervised by adult volunteers. The Walking School Bus also addresses the issues of childhood obesity and low fitness levels, the environment, sustainable transportation, community connectivity, and road safety education.

Volunteers will pick up children along a preset route and walk together to school. This has many benefits. The children will have increased physical activity and make new friends. Roosevelt will have less traffic and congestion in the mornings. The Walking School Bus will start off with a limited number of routes. However, if the school community embraces it, the Walking School Bus will continue to expand.

**Thank you for your support of our students and staff and please feel free to contact me if you have any questions or concerns.**

## Longfellow Middle School News

### SERVICE PROJECT TO SUPPORT THE STUDENT WELFARE INITIATIVE FUND (SWIF)

Longfellow Middle School is excited to once again be participating in a service project to support the SWIF fund. SWIF is a collaborative brainchild of the Wauwatosa School Social Workers and Mayfair Rotary Club to address educational issues related to poverty in our local community. Last year our goal was to raise at least \$500 for SWIF. We easily raised this amount of money through Box Top drives coordinated by our Student Council. In fact we ended up raising the \$500 for SWIF and more than \$1000 more for programs at Longfellow! This more than doubled what we had collected the previous year.

Thanks to everyone in the community who saved the pink Box Tops from General Mills products, Ziploc bags, and Avery office supplies and gave them to neighbors or friends who have children at Longfellow or dropped them off in the collection bin near the office at Longfellow. We hope you will continue to support the project. We will gratefully accept Box Tops anytime throughout the year.
