## Block Party and Movie Night in the Park

AUGUST 25

4:00 PM

CENTER STREET PARK

Don't miss out on our biggest event of the summer, the TETNA Block Party and Movie Night in the Park. It's the perfect opportunity to meet your neighbors and enjoy some family friendly fun in the sun.

The festivities kick off at 4:00 at Center Street Park located on Clarke Street between 65<sup>th</sup> and 64<sup>th</sup> Streets. There will be fun and activities for all ages. Channel your weekend warrior and join in a friendly game of softball or volleyball. Watch the kids swing, jump and play on the playground. Pull up a park bench and enjoy some good cheer with friends and neighbors.

Make sure you bring your appetite, as our volunteer grill masters will be cooking up hot dogs and brats. Proceeds from the concession sales will benefit the association's scholarship fund.

There is no need to head home when it gets dark. That is when the fun really begins. Recalling the days of drive in theaters, we will enjoy a family friendly movie in the open air. The show will start at dusk and we have popcorn available for purchase at movie time. Be sure to bring your blanket or lawn chair so you can get comfortable and enjoy the film.

For more information, contact Julie Esch, [jules11@wi.rr.com](mailto:jules11@wi.rr.com) or Sarah Hunt-Frank, [slhuntfrank@gmail.com](mailto:slhuntfrank@gmail.com). *Hope to see you there!*

### ATTENTION MUSICIANS

We would love a couple of garage bands to come play starting from 4:00 to 8:00 PM, taking breaks. Contact Julie or Sarah if your band is interested!

**President's Letter**  
**HELLO NEIGHBORS!**

What a beautiful season we're in! It's always amazing to see how much the beauty of our neighborhood changes with each season. Summer is in full swing, everything is green and neighbors are out and about. This is a great opportunity to catch up with neighbors or welcome new neighbors who moved in throughout the winter and in early spring.

Hosting our annual neighborhood rummage is a great way to showcase our tree-lined streets to prospective new neighbors. Our unique homes, each with it's own style; really add a touch of character. As our neighbors and friends walk our sidewalks and cruise our streets, they quickly realize Tosa East Towne is a special gem.

All our neighborhood shops are so easily located in walking distance and offer a diverse selection of restaurant options or small business services. Where else can you get great local food to go, candy for the kids, a replacement bicycle tube, repair parts for your dishwasher and fresh bakery all on a Saturday and within a mile walk of your house? Yes, I've really done that in one day, and all in our little stretch of North Avenue, thanks to all our great business neighbors.

Be sure to get out in this beautiful weather and enjoy our wonderful Wisconsin summer. Don't forget to join all your neighbors at the annual neighborhood block party at Center Street Park this August.

Sincerely,  
 Jason Odrzywolski, Association President

# Pedestrian Safety

BY JOEL TILLESON, ALDERMAN, 5TH DISTRICT

During this past campaign season, a common request amongst Tosa East Towne residents was increased attention to traffic and pedestrian safety in and around the neighborhood. You'll be happy to know that your elected officials are listening. Alderman Pantuso is working closely with TETNA residents Matt MacKelly, Sarah Hunt-Frank, Angela Dobbs, and Bridget Robinson to address safety concerns around Roosevelt Elementary. You may have noticed their first—the city has provided orange safety cones to assist with traffic management before and after school hours.

However, this is just the beginning as civic leaders continue to explore ways to upgrade safety. For example, residents have also expressed concerns about pedestrian crossing at the intersection of 68th and Wright. In the coming months, Alderman Pantuso will help lead an effort to investigate, develop, and apply for a state grant to help fund the safety improvements our students need to safely travel to and from school.

While Alderman Pantuso has been working with the Roosevelt parents, I have begun work on improving safety on Wauwatosa Avenue between North Avenue and Center Street. As many of you know, Wauwatosa Avenue falls under state jurisdiction as State Highway 181. This means that any improvement to Wauwatosa Avenue requires work with the State Department of Transportation (DOT).

Within the past month, I have been in contact with State DOT Secretary Mark Gottlieb. He has appointed a task force to investigate safety concerns along Wauwatosa Avenue, and this task force will make their first visit to Wauwatosa in June. Alderman Pantuso and I look forward to personally leading the task force on a tour of Wauwatosa Avenue and brainstorming with them to explore how this dangerous section of road can be redesigned to accommodate students walking to and from our neighborhood schools.

Lastly, it's important to know that your elected officials rely on constituent feedback as we develop public policy. If you know of any additional areas of concern or wish to comment on the pending safety initiatives, please don't hesitate to email Alderman Pantuso at [bpantuso@wauwatosa.net](mailto:bpantuso@wauwatosa.net) or myself at [jtilleson@wauwatosa.net](mailto:jtilleson@wauwatosa.net).

Where the North Avenue Grill really stands out is in their sandwich selections, particularly their burgers. Their take on my all time favorite, the Rueben is worthy of praise. I also really enjoyed the Tosa Cheesesteak. The burger menu pays homage to East Tosa with names like the Lefeber and the North Avenue.

## RESTAURANT REVIEW North Avenue Grill

BY BOBBY PANTUSO

The North Avenue Grill is open and ready for your business. East Tosa residents Jon Anne Willow and R. Michael Gull along with Patti Wenzel have moved into a space on the 7300 block of North Avenue that has been home to cafes and diners for over 50 years. So what is different this time? For one the new owners have refreshed the look, bringing in a contemporary color scheme, lighting and a beautiful hardwood floor. The art scheme will change from time to time as they have asked artists and photographers to show off their work on their walls.

While the aesthetically pleasing atmosphere is nice, it's the food that brings you back. And back I have been. Being geographically convenient to our house makes it an easy decision when nobody feels like cooking. Breakfast at the Grill is good. The omelet section is tantalizing. My wife enjoys the "No Regrets" (yogurt, granola and fruit) on light breakfast days. The normal traditional breakfast favorites with their own twist will make this a hot morning spot and you should definitely try it out.

Where the North Avenue Grill really stands out is in their sandwich selections, particularly their burgers. Their take on my all time favorite, "the Rueben," is worthy of praise. I also really enjoyed the "Tosa Cheesesteak." The burger menu pays homage to East Tosa with names like "the Lefeber," and "the North Avenue." If you are feeling particularly hungry, try the multi-meat man burger, "the Crustic."

My three hungry boys have had plenty of time to scrutinize the kids menu. "The Elvis," a Nutella and banana sandwich, is now a favorite, along with the kid's pizza made on a warm, fresh pita. These selections, along with some other kid friendly items, are sure to make this a frequent family destination.

The North Avenue Grill makes fresh, made from scratch meals in a compact kitchen so your food may take a little longer than society has conditioned you, but it is worth the wait and you will not be disappointed. One other side note worth mentioning, the North Avenue Grill uses some breads from East Tosa favorite, Rocket Baby Bakery and desserts from their neighbor Signature Sweets. It doesn't get more local than that.

# Memory Corner

## DID YOU KNOW?

St. Pius X church sits on the corner of 76<sup>th</sup> and Wright Streets, as it has for over 50 years. But did you know the church building was originally a distribution plant for the Gridley Dairy Company. The building, built in 1925, housed offices and a barn. The barn held 56 horses for the milk delivery wagons. The building served as a dairy distribution center until 1944, first for the Gridley Dairy and later for Borden.

Gridley Dairy was one of the first milk companies in the nation to use glass bottles for milk. The dairy also led in pasteurization, experimenting with it as early as 1898.

St. Pius X took over the building and, in 1952, celebrated its first mass in the old dairy barn. The barn was later transformed into the gym and roller rink.

# Take That! Mosquitoes!

(WITHOUT TAKING OUT YOUR FAMILY WITH DANGEROUS CHEMICALS AT THE SAME TIME)

BY SARAH HUNT-FRANK

Are you tired of pesky mosquitoes? They ruin your best summer cookout. They also pose a danger of spreading disease. Everyone wants rid of them. But we want to be "green" about it, right?

Here are some tips to help you.

## MOSQUITO TRAPS!

Though the females need blood meal in order to lay eggs, both male and female are fueled by flower nectar and fruit juices. We can use this information to our advantage!

### Materials:

- 1/16 inch drill bit or nail
- Quart-size large mouth plastic container with lid
- 3 tsp. sugar
- 1/2 tsp. boric acid
- 1 cup smashed fermented fruit with the fruit juice
- Jasmine essential oil (optional)

Set the mashed fruit in the sun for a day or two to speed up the process. Drill or punch several holes in the container lid. These small holes let the mosquitoes in, but keeps beneficial insects, like bees, out. Mix the ingredients and pour into the container. With the lid on, place the trap in a sheltered area where it will not get rained on. Whew! Your backyard barbecue is saved!

## MOSQUITO-REPELLANT PLANTS!

**Lantana camara** is an ornamental plant that emits a very large amount of volatile organic compounds from the

leaves that repels mosquitoes. The following plants have mosquito repellent properties but the leaves must be crushed in order for effectiveness.

Pick and crush a few leaves from the **rose-scented monarda** and rub the leaves on your skin and clothing to discourage mosquitoes. This plant is easily found at your local garden store.

**Lime basil** (*ocimum americanum*, hairy basil, or hoary basil) is effective when burned and when grown nearby.

**Catnip** (who knew?) the essential oil that gives catnip its smell is also more effective than DEET at repelling mosquitoes. If you have a cat that loves this stuff, you may want to keep your secret stash under a wire cage.

**Sacred Basil** (*ocimum sanctum*, holy basil, tulsi) is an annual that has been used medicinally in South Asia for thousands of years. The leaf extract discourages mosquitoes from feeding and the seeds floating on water will kill the larvae.

**Thyme** (*anymus vulgaris*) is a low-growing perennial culinary herb that works as well as DEET and has longer lasting effects.

These solutions may not make your yard completely mosquito free, but it will definitely help and prevent your families exposure to toxins in chemical solutions—and it's safe the environment too!

# 2012 TETNA ANNUAL RUMMAGE SALE Lots and Lots of Sales!

Saturday, June 6 was the day of the TETNA 2012 Annual Rummage Sale. 45 households registered to participate, which meant that the map showed sales on nearly every block of the neighborhood. For the first year, in addition to distributing printed maps to each registered household, we also posted the rummage sale list and map on the internet, so that bargain-hunters could find our sales more easily. The weather cooperated beautifully, and there were a lot of potential buyer checking out the merchandise. As usual, many neighbors who weren't holding rummage sales were shopping,

Thanks to Sarah Hunt-Frank for leading the volunteers, Kristyn St. Denis and Jennifer Lautz, in performing the registration and advertising tasks needed to make the sale a successful neighborhood-wide event. And thanks to all the registered households for participating.

We are already planning for next year, so if you would like to help with TETNA's 2013 Annual Rummage Sale, please contact Jennifer Lautz at [jenlautz@gmail.com](mailto:jenlautz@gmail.com). If you have any comments or ideas, please send those along, too.

Left Behind: All that remains after a successful rummage day in the neighborhood is the writing on the sidewalk.

# Third Annual Charity Run

If you love running or walking around the neighborhood, join us for the Third Annual TETNA Charity Run on September 22. The run will raise funds for the Ronald McDonald House Charities of Eastern Wisconsin, Inc.

The 5K run will start at 9:30 at the parking lot on 72<sup>nd</sup> and North Avenue and will wind through the TETNA neighborhood. After the race, join your friends and neighbors for food, entertainment and crafts for the kids. This is a family friendly event, we encourage you to bring along the whole family. Even if you are not up for a 5K, the event may also have a 1 mile Fun Run.

The pre-registration date is August 31. Details on registration will be forth coming, please watch the website, Facebook and E-Blast for more information.

We are trying to make this the most successful run ever. If you would like to become involved, please contact Kelley Ruzica at [kelley@gEEK.com](mailto:kelley@gEEK.com) or send in the volunteer form on page 8.

# Congratulations to Our Scholarship Recipient

The Tosa East Town Neighborhood Association awards a scholarship each year to a neighborhood high school senior planning on furthering their education who best exemplifies community involvement. The scholarship is funded through members' donations and the concessions at the annual block party.

This year's scholarship recipient is Sydney Rabishaw. Congratulations Sydney. Best of luck in your future endeavors.
