Party in East Towne! See You There!

Mark your calendar for Saturday, August 21st. That's when a new summer tradition begins in Tosa East Towne: The TETNA Block Party and Movie Night in the Park!

The party begins at 3pm at Center Street Park, featuring all the tasty and fun ingredients that go into cooking up a great block party. Center Street Park is located at 64th and Clarke. You can't miss it. Just listen for the live music and look for the balloons. "You can't have a party without balloons,"

says East Towne President Sarah Hunt Frank. And food! Volunteers will be firing up the grills to sell hotdogs and brats. All proceeds from concession sales will go toward the association's scholarship fund.

You'll find plenty of fun in the sun at the TETNA Block Party. Jump into a friendly game of volleyball or softball. Challenge your neighbor to a game of bocce. Or grab a cold one, park yourself at a picnic table and enjoy the good company of friends and neighbors.

When dusk arrives, spread a blanket out on the grass and get your popcorn and soda from the concession stand. Then settle in for a family friendly movie featured on the screen near the southwest corner of the park.

Along with the movie, games and concessions will continue through the evening. The block party will wrap up at 10 pm.

Last summer, East Towne launched its first Movie Night in the Park. About fifty people came out on a chilly evening to watch "Bee Movie." The association is expecting even more people this summer because of the block party.

President's Letter

HELLO, TETNA!

You may find a whole new Tosa East Towne Neighborhood Association when you check us out again. You may find yourself compelled, drawn to us like a magnet to steel. Like that lady in the commercial being dragged down the street by her coffee cup. Only you will not be in your jammies. Hopefully.

The Neighborhood Association Council (NAC) held a roundtable event for all Tosa neighborhood associations. (I have to mention here how proud I was that several of the presenters were from East Towne!) But the East Towne members who attended also got a lot out of the event. Let me tell ya, some fresh, eye-opening ideas.

We were able to see the effectiveness of our organization because of our events we do; the information we provide via website, Facebook, Twitter, and newsletter; and how passionate we are about our beautiful community. We were also able to see other ways to reach our neighbors, find common interests, and gather people together. Many of our events were for young children. So, how do we reach the older kids? Empty nesters? Retirees? Young professionals?

The first new event is the Fun Run/Walk, sponsoring Ronald McDonald House Charities of Southeast Wisconsin, on August 14. If you are a runner or walker or an athletic supporter, come out for this event, for a good cause. We need participants, but we also need people to hand out water, bread, and cheer on those panting, breathless, sweaty... well, you get the idea.

Next is the Block Party on August 21. This is Family Fun Day —All Grown Up! This event is for kids of all ages, from 1 to 101. Hotdogs, brats, popcorn, kid movie, bocce, volleyball, face-painting, battle of the bands... You name it, we got it! Check it out!

Another new event is an evening dinner at the Kneeland-Walker House in November! Ahem. Adults. Only. (Like, OMG! Really?)

Also, on the membership registration form, you will find some new boxes to check. Do you like motorcycles? Do you like to dine out? Do you like to sample wine? Do you like to dance the hula in the moonlight? Well, I don't. But if there are two people out there who do, I want to get them together!

Check out the new and improved Tosa East Towne. A fresh look. And you may be hooked!

Just 15 Minutes Can Make a Difference

Molly Keyes is an involved and busy high school student at Wauwatosa East. Even though she has plenty to do including school work, soccer and cross country practice and other extra curricular activities, she finds time to give back.

Molly started volunteering her time at the Lutheran Home when she was in 8th grade. She first learned about the opportunities to volunteer through her girl scout troop. Molly began visiting with the residents at the Lutheran Home by sitting with them in their rooms and talking.

“Some residents don’t have any family that visit. It makes them so happy when a visitor comes to talk with them,” said Molly.

Make a difference like Molly! For more information on how you can volunteer your time, call Michelle at 414-258-6171 ext. 258, or e-mail Michelle.Mittelsteadt@thelutheranhome.org.

When asked why she volunteers, Molly said, “I care deeply about people. I find older adults so fascinating, and they have so much wisdom. They can tell you things that even your own parents might not know.”

Now age 16, Molly shares that just 15 minutes out of your day can make the biggest difference in the lives of others. “I feel so lucky to have all that I do in life, so why not give back to those who are not as fortunate?”

ANNUAL RUMMAGE SALE East Townies Know a Good Deal

On Saturday, June 5, the rain stayed away while bargain hunters searched through the East Towne neighborhood for great deals during the annual neighborhood rummage. 47 homes signed up to participate with 67th Street registering the most homes.

Heather Stuart, rummage sale volunteer, said the items being sold covered every category, so there was a big variety of stuff for treasure hunters. Maps were handed out at registered homes, along with yard signs announcing the event.

Thank you to our volunteers, Heather Stuart, Colleen Suess and Jessie Zurawick, who helped make this a successful event.

This 67th Street resident had heavenly bargains!

JAKE'S 9TH BLOOD DRIVE Another HUGE Success!

Despite the blood drive falling over Easter weekend, we still managed to bring in 59 registered donors with 49 units collected.

The love for Jake flooded the gym as the Roosevelt community, family and friends gathered to support the Blood Center of Wisconsin.

A big thank you to those brought in home-baked goods and volunteered with the child-care.

Save the date for Jake's 10th Blood Drive, Saturday October 2nd, from 9am to 2pm.

We will be asking for 100 donors to pull up their sleeves to give the gift so many need... life-saving blood. For questions regarding the upcoming Blood Drive, or if you want to volunteer, please contact Jennifer Aldrich at 414-810-4793.

Thank you for your continued love for us and your support for the Blood Center of Wisconsin.

Scholarship Winner Announced

The Tosa East Towne Scholarship is intended to recognize neighborhood high school seniors, whose activities demonstrate support for the Association's philosophy: *To provide a welcoming and nurturing environment and to maintain the quality of life and sense of community through shared interests and neighborly interaction.*

The recipients of these scholarships must be members of the neighborhood association and must also plan to continue their education.

This year's winner, Michael Blaney, participated in a number of extra-curricular activities during high school, including Venture Scouts, basketball, and golf. He spent last summer

Fifth District: On Topic

BY BOBBY PANTUSO, 5TH DISTRICT ALDERMAN

It has been an interesting few months here in the 5th District. I have been working with the residents around Center Park on the proposed communications tower for the water utility. We have also had a few new businesses apply for conditional use permits along North Avenue. Above all the planning process for the North Avenue project has gotten underway.

It has been fascinating listening and working with residents of East Tosa on what they would like to see and

what they definitely don't want to see. I would like to see plenty of shops and services that I would use, but a more pedestrian-friendly North Avenue. I compare the Avenue to the Autobahn right now; the goal seems to be to get through as quickly as possible. I had to laugh the other day when I stopped for a pedestrian that wanted to cross at the very well marked pedestrian cross-walk on 69th and North and the car behind me actually honked...we have a long way to go in educating drivers.

This summer will also bring Chili'n on the Avenue to North Ave between 68th and 71st Street. I can't wait to party with my neighbors right in the street. This event will draw attention to what a great street North Ave is. In the Spirit of "Field of Dreams" — if you build it, they will come.

Finally, I would like to say that I can only be as good a representative as the feedback I get from my constituents. When it comes to city or neighborhood issues, feel free to contact me, bpantuso@wauwatosa.net or 414-736-5700 or you can reach Mike Walsh at mwalsh@wauwatosa.net or 414-477-2830. Never forget that the Aldermen work for you.

Have a safe, happy, and fun Summer here in East Tosa!

Mark your calendars for the inaugural

NORTH AVENUE
BETWEEN 68TH AND 71ST**

This inaugural event is an invitation to the community and beyond to join us on North Avenue in East Tosa where the market and nationally sanctioned CASI Chili cook off will take over North Avenue from 68th-71st Street. The street will be filled with music, a specialty kids area, booths highlighting our North Avenue businesses and, of course, chili! The event is co-hosted by the Chillini Pod and North Avenue Neighborhood Alliance, with support from the City of Wauwatosa. Interested in entering the contest? Please contact chili@easttosa.org.

Meet Your Neighbor: Meg Miller

NORTH AVENUE NEIGHBORHOOD ALLIANCE FOUNDER

BY MARY RAEBEL

“Wau, wau, wau, What?”

That was Meg Miller’s response when she first heard about Wauwatosa more than ten years ago.

Meg and her husband had moved from Colorado to the east side of Milwaukee and were looking for a home. “When people asked us what we were looking for, we’d say a good, solid community; a place you could walk to dinner, movies and school. People told us you should look in Wauwatosa.”

It may not have rolled off the tongue at first, but now talking up Wauwatosa is one of Meg’s passions. She is the founder of the North Avenue Neighborhood Alliance—a non-profit, grass roots group that encourages and advocates for the economic sustainability of North Avenue.

“We started out as a group of people meeting to talk about the Pay Day loan store that wanted to open up on North Avenue.” Meg says they went from asking the question, “Why would that kind of business want to move here?” to “What kind of businesses do we want moving in?”

Meg says all 16 people at the meeting had their own ideas for what they’d like to see on North Avenue, but they decided to issue a survey of the area residents. More than 350 people responded, and since then, the Alliance has

Meg relaxes with her husband, Scott, and her two children, Ben and Michela.

used that survey to help in initiatives such as putting up pedestrian yield signs in the crosswalks and actively seeking new businesses.

Meg says her group acts as a bridge between the businesses on North Avenue and the residents. “It’s a symbiotic relationship. Our neighborhood businesses can’t stand on their own, and our residents can’t stand alone without a vibrant North Avenue.”

Right now the North Avenue Neighborhood Alliance is made up of volunteers, representing North Avenue businesses and the five surrounding neighborhood associations, including East Towne. Meg hopes they can eventually secure funding for a paid employee to run the alliance.

The Alliance was awarded a \$40,000 block grant to fund the development of a long-term plan for the future economic sustainability of North Avenue. This past May, a consultant took suggestions from residents and the city’s planning task force and has begun drafting plans.

Besides running the Alliance, Meg started her own marketing company a couple of years ago promoting healthy, active lifestyles for children. Meg and her husband, Scott, have a son and a daughter at Roosevelt Elementary. When Meg isn’t working, or volunteering or managing her busy family, she says she loves to read, especially historical fiction and to garden. “We have a community garden for veggies, and I spend time tending to my flower garden at home. I love to walk with my Golden through our beautiful neighborhoods.”

She says they like Tosa so much that when it came time to find a bigger house, they moved just two blocks east. The reasons were clear for staying in Tosa. “It attracts people from many different places with different personalities. The charm, the walkability, the easy access to all the great things you want in a community.”

And Meg is committed to promoting more great things for our community.

TETNA TRICK OR TREAT 2010 Haunted by Last Minute Candy Purchases?

I know, who wants to think about Halloween in July, right? But we wanted to give you a heads up on a possible addition to the trick or treat registration process. We'd like to offer residents that will NOT be handing out candy the opportunity to avoid the crowds at regular registration by pre-registering in early October. Pre-registration also includes opting out for purchasing candy—you pay a little more and East Towne will supply your candy donation. You'd simply fill in your registration form and drop it off at your convenience. You'll pay the fee and pick up your glow sticks at that time.

No crowds, no last minute candy runs! This pre-registration is a trial run. In the future, if this is a popular choice, we will open pre-registration for homes that pass out candy too. Look for more details in the October newsletter. To download a pre-registration form, visit www.TosaEastTowne.org.

Take a Halloween poll on East Towne's Facebook page. We'll also start a Halloween discussion tab in Facebook if you'd like to offer suggestions or volunteer. Join us at www.facebook.com/TosaEastTowne.

Tosa East Towne's First Fun Run/Walk

Whether you can walk or run or sit and cheer, you're invited to Center St. Park for TETNA's First Fun Run/Walk. Be there: Saturday, August 14th at 8:00am—bright and early to (hopefully) beat the heat. Net proceeds will benefit Ronald McDonald's House Charities of Eastern Wisconsin.

Plans for a neighborhood run/walk had been swirling in the mind of East Towne's President Sarah Hunt-Frank for quite some time. She's excited to see it finally take off with the help of Craig Brittingham, Jeff Frank, Bobby Pantuso, and Mary Raebel.

"We have so many runners in our neighborhood," said Sarah. "It just seemed like a logical thing to do, and a great way to get people in the community together."

There's still time to register using the form on the next page or you can download a form at www.TosaEastTowne.org. Don't miss out on another great East Towne Neighborhood Association event!

Block Party *continued from page 1*

So what happened to Family Fun Day? Sarah says that yearly event was geared more toward families with small children. By transforming the Family Fun Day into a block party, the neighborhood association is hoping to open up the event and appeal to more people.

Sarah says East Towne's goal has been to get individuals out of their houses and meeting people. During the fall membership drive, East Towne residents have the opportunity to check off their interests on the registration form. East Towne uses those forms to help people form their own clubs, and to plan more great events like the block party.

So join Tosa East Towne Neighborhood Association in this new tradition and keep the summer celebration going. Tell your friends and neighbors, "Party in East Towne! See you there!"

Share your input, make suggestions, or offer your services using the discussion tab on our Facebook page. Join us at www.facebook.com/TosaEastTowne and look for the East Towne Block Party/Movie Night in the Park topic discussion.

Create a Healthy and Safe Lawn this Summer

BY DAVID WALL

Summer is here, and for most of us it means taking care of our lawns. Large or small, it is the time of the year to learn how to keep our lawns healthy and getting others to do the same without toxic and harmful pesticides.

The world is rapidly changing, and with it, our perspectives on the use of toxic lawn chemicals and the hazards they pose to our children, families, neighbors, wildlife, and drinking water sources.

Maintaining a healthy lawn involves many things which take time and patience. For some people, along with other landscaping, this task is essential for creating good curb appeal. We may also choose to keep our lawns looking nice and weed free for our neighbors, and residents of the community. We try and avoid the spread of weed seeds across property lines, and hope our neighbors do the same. Simply put, the presence of weeds is a sign of a lawn undergoing stress. Not a sign to spray poisonous chemicals.

You might try what some East Towne residents are currently doing to maintain a healthy lawn.

1. Get a soil test to know what you are working with and talk to a landscape professional
2. Remove weeds in the spring when plant root reserves are low.
3. Feed the soil and not the plant. Try an organic conditioner, such as compost to nourish the soil.
4. Eliminate pesticides on your lawn or garden, especially if you have children or pets. If you choose to fertilize, purchase an organic fertilizer like Milorganite rather than any synthetic type.

5. Mow high, three inches to a minimum, to shade the ground and provide better habitat.
6. Aerate your lawn. Many weeds thrive in compacted, poorly draining soil
7. Over seed your lawn in the fall.

Visit the Greater Madison Healthy Lawn Team (www.healthylawnteam.org), or the Healthy Communities Project (www.healthyclmmunitiesproject.org), local groups of the National Coalition for Pesticide-Free Lawns (www.pesticidefreelawns.org) which have many links to help you go pesticide free.

So, remember to think about your neighbors and your own health when choosing to use pesticides on your lawn. Let us tell your story what you are doing to help create a pesticide-free, natural, and healthy organic lawn. Look for more information coming on our website at www.TosaEastTowne.org.

TOSA EAST TOWNE'S TGIT AT KNEELAND-WALKER HOUSE

Save the date! Thursday November 4th, debuts our holiday TGIT adult members-only social at the Wauwatosa Historical Society, Kneeland-Walker House at 7406 Hillcrest Drive. Details along with an RSVP form will be available in the October newsletter along with the 2010-2011 association's membership form. Please plan to attend our first Tosa East Towne's "adult-members-only social" with food, drink, desserts and fun. To subscribe to the TGIT e-mail blasts, send an e-mail to Tiger Beyer at tigermilw@sbcglobal.net. This event will be limited to the first 80 to sign-up when details are released in October—so mark your calendar. This will be cool party not to miss!

The Wauwatosa Cemetery, along with its chapel, is part of Wauwatosa life and history. Many of the city's pioneers, community leaders and those who have lived and raised their families within the vicinity have chosen the historic Wauwatosa Cemetery as their final resting place. In addition to the historicessence, there are many unique options available which help set this cemetery apart from any other in the area. Many spaces are still available throughout the cemetery.

Wauwatosa Cemetery offers both traditional ground burial as well as above ground options for caskets and cremation urns.

Please contact us to schedule a time for a cemetery tour or to discuss your cemetery and funeral planning needs.
