**THE SOUND OF THE DARK**

A COLLECTION OF **CREEPY HORROR STORIES**  
 by young Australian writers  
 FEATURING CHILDREN'S AUTHORS  
**Oliver Phommavanh**  
 and **Maxine Beneba Clarke**

**AUSTRALIA'S ONLY** children's book written and edited by primary school students, *The Sound of the Dark* is published in partnership with schools through 100 Story Building's annual **EARLY HARVEST** program. This year, a panel of 15 editors fielded 135 submissions from schools across Melbourne to choose the most eerie (and inspiring) examples of young Australian writing today!

"A white-knuckle rollercoaster ride of pure terror...I was so scared my eyeballs exploded and my head fell off!"  
 - **ANDY GRIFFITHS**

"My students love reading work by children their own age, and using their ideas to write their own creative stories."  
 - **RENEE, TEACHER**
