CELEBRATING GLORIA
A FUND SUPPORTING SAN
ANGELO COUNTRY CLUB

90 years young! Happy birthday!

Honoring Mrs. Robertson

Mom, Gloria, Glo, Gigi—Regardless of your name for her, she's been a force in all of our lives. We all appreciate how much she has contributed to women's golf in San Angelo, West Texas, and the entire state over the past 65 years.

What better way to celebrate that passion than with the construction of one or more Women's Teeing Areas at San Angelo Country Club!

The Robertson family has set up a campaign in honor of her 90th birthday to help finance these course improvements.

The fundraising project has two main objectives:

- [Raise at least \\$10,000 by August 1, 2015.](#)
- [Get as many people involved as possible!](#)

Friends and family are encouraged to support the initiative by providing a contribution of any dollar amount with which you feel comfortable—from \$5.00 up to any level you so choose.
