Quarterly Neighborhood Assoc. Meeting & Board Elections
May 2, 2013: 6:30 p.m.
1600 East Avenue Apartments
Basement Conference Room

Results from our board elections will be announced at the upcoming quarterly N.A. Meeting. Elections for President, Vice President and the five "at large" board seats will be announced. Winners will serve a two-year term. The Treasurer and Secretary positions are appointed by the President after the elections.

Anyone who has joined the neighborhood association by paying annual dues may vote in the election. If you haven't voted via email, ballots will be available at the meeting and will be tallied. City Council Members **Matt Haag** and **Elaine Spaul** will be present to give us an update on City Hall.

February Chili Cook-Off Winners!

Our **Chili Cook-Off** was held in February and we had a great crowd. A Friday night snow storm and more snow on Saturday didn't daunt over 35 neighbors from attending!

There were nine chili entries and five varieties of cornbread. An award was bestowed for **Best Chili**, with the winner being chosen by our expert panel of *guest judges*: **City Council Members Matt Haag and Elaine Spaul**, along with **City of Rochester Chief Engineer, Jim McIntosh**.

Prizes were also awarded to two **People's Choice Award** winners, *i.e.*, guests were scraping the bottom of these two crock pots at the end of the day!

Farewell from Our President

I can't believe that I'm writing my last "President's Column" for the newsletter. It seems like only yesterday that the members of our association elected me to serve as President. At the time, my son Sam wasn't even two years old and my daughter Abigail wasn't here yet! Sam will be six years old next month and Abigail is now three. Wow... how quickly time has gone by.

There are so many memories that it's hard to fit them all in one column. Some of my favorites include the summer picnic (blocking off the street made it even better!), the Halloween Parade (the kids looked so cute in their costumes), and the annual Holiday Open House and Party (the homes also looked nice decorated for the holidays!).

I have received many compliments the past four years, but as my term draws to a close, I have a confession to make-I couldn't have done any of this without the support of the ABC Streets board members. I feel so honored to have the opportunity to work with some "top-notch" people who were always willing to answer my call for help. Vice President, **Marianne Pastecki**, who worked tirelessly at everything — from creating the newsletter, adding holiday decorations to the sign at Morrison Park (I'm still receiving compliments for Marianne's ABC pumpkins during Halloween), and doing the heavy lifting for the summer picnic to make sure it was a success. **Maureen Duggan**, who worked so hard "behind the scenes" to draft a budget every year, pay our bills, deposit our checks and keep our membership list up to date. **Kevin Hamblin**, for contributing his skills in drafting the design for the ABC Streets sign at Morrison Park and the banners, for developing the ABC Streets brochure and for working in the park. **Matt Alexander**, for meeting me at Morrison Park early in the morning the past few years to help prepare for Clean Sweep, and for always taking his "usual route" delivering newsletters. **Dave Burnet**, for his outstanding work on the website, his photographic contributions and for hosting so many of our social events. **Jim Hondorf**, for his above-and-beyond leadership and hard work "in the trenches" for the revitalization of Morrison Park. **George and Lorrie Lorson**, for creating our newsletter delivery routes, creating and distributing our welcome packets and their tireless efforts in securing advertisers for our newsletter.

It's been hard work, but it's also been so much fun! I was honored to have a front row seat to the many events and changes we experienced in our neighborhood over the past four years. However, in addition to the Board, it was the dedication of YOU, the neighbors that made so many of our events and projects successful. Whenever I asked for volunteers to go door-to-door to deliver newsletters, participate in Clean Sweep, set up for a social event or make a donation to a project such as the banners, YOU RESPONDED! When it was time to plant all the new trees, plants and flowers in the park, over fifty of you responded. That day, I witnessed a neighborhood that was more than a neighborhood, it was a community coming together to remake a park.

In closing, thank you for giving me the opportunity to serve. I also want to thank my wife Linda and children, Sam and Abigail, for being so supportive. I would sometimes leave the house for a meeting during a "non-ideal" time and I appreciate your understanding. While my term is coming to an end, I am dedicated to staying involved. I've already told the board that they can count on me to continue hosting the Halloween Parade, helping with the Summer Picnic, etc.

What's next for me? Well, I'm going to spend the next month or so relaxing and spending time with my wife Linda and Sam and Abigail. However, I promise not to relax too long. I've decided to run for City Council in hopes that as a member, I can share what I've learned these past four years to strengthen neighborhoods throughout the city. It is the people who live in the neighborhoods that make the city such a great place to live.

As spring arrives, I look forward to the warm weather, walking with Linda and Basco and pulling Sam and Abigail in their wagon. Yes, I look forward to seeing you around the neighborhood.

Tom Hasman

ABC Streets Neighborhood Association Participates in City Living Sundays!

The **ABC Streets** participated, for the second year, in the City Living Sundays program on March 24th. **Nancy Sears, Susan Glenz, Tom Pastecki and Brian Sears** manned our table. Although there weren't any homes for sale in our neighborhood, it didn't discourage enthusiasm from the visitors who stopped at our table to talk about our neighborhood. Our display this year featured a number of quotes from neighbors about *Why I Like Living in the ABC Streets Neighborhood*. We are pleased to report that our efforts to enhance our neighborhood gateway at Culver and Harvard was highly-praised by many attendees, including **Mavor Tom Richards**.

PAC-TAC comes to the ABC Streets!

In early 2013, twelve of your neighbors committed to volunteering a *minimum of two hours per month* to “walk the streets” to provide a PAC-TAC presence in our neighborhood.

All of these volunteers have attended the required training course by Officer Michele Velez of the RPD and have walked the neighborhood accompanied by Officer Velez and Officer Brian Bannerman, gaining knowledge and hands-on training in the use of police radios to report any trouble or incidents. PAC-TAC visibility in other neighborhoods has proven to put the word out to criminal elements that they are under watch.

There is no set schedule. Walks are held Monday through Friday, between 8:00 a.m.-9:00 p.m., dependent upon volunteer schedules. Volunteers need only to commit for two hours a month.

Contact abc.streets@gmail.com if you would like more information or would like to volunteer.

To Our Neighborhood Renters & Tenants

Homeowner participation in the neighborhood association has always been great. Unfortunately, we don’t get much active participation from renters in our neighborhood.

This is your neighborhood too, and we do value your participation and presence in the ABC Streets neighborhood. We all live here together.

Whether it’s a lost pet, suspicious activity or an upcoming neighborhood-sponsored event, our weekly email will keep you updated on what’s going on around you.

It’s easy! Simply email abc.streets@gmail.com. Better yet, join up as a Member! It’s only \$5 per year and that includes everyone living in your home/apartment (see page 9 for Membership Form)

**PARK AVENUE FESTIVAL
NO PARKING SIGNS**

...Marianne Pastecki

The **Park Avenue Festival** will be held **August 3-4** this summer. Once again, I am looking for volunteers to hang “YES, You CAN Park on this Side” and “NO! You CAN’T Park on this Side” signs throughout the ABC Streets.

The signs go up on Friday, August 2nd when, for most of our streets, cars are parked on the east side of our streets, and where they will remain throughout the week-end. Streets that have had these up during past festivals have found that it greatly alleviates the parking headaches we all experience during the festival. All you’ll need is a roll of masking tape, a ladder and maybe a buddy to help!

Please contact mpastecki@aol.com to volunteer to do your street or to help another street. **DEADLINE** will be **July 18**, so that we are able to pick up the appropriate number of signs.

Since Harvard has the most signage, would be GREAT to have a few volunteers to split it up!

★ ABC STREETS NIGHT-AT-THE-MOVIES! ★

August 27th (rain date: August 28th)
 Coming this August to a driveway near you!

We had a great turnout last summer for our first-ever Night-At-The-Movies in the ABC Streets. Board Member **Jim Hendorf & Susan McNeil** of Harvard Street graciously opened their *driveway theatre* for neighbors to enjoy the movie, NEMO. Retired Rochester D&C film critic, **Jack Garner** shared his favorite animated short and ABC Board President **Tom Hasman** (and **Sam**) served fresh popcorn from the concession stand! Watch future emails for details!

Todd L. Perkins

Design

Decorator, **Todd Perkins** of **Todd L. Perkins Design** has been assisting homeowners *design, decorate, furnish and stage* their homes since 2003. Todd has worked with innumerable clients in Rochester, assisting in shaping homes to meet their own vision. For many, selling their home may seem like an overwhelming and auspicious task, but Todd offers an unparalleled and attentive service, guiding homeowners through both the staging and selling process.

For many, preparing your home for the real estate market may seem like a weary and daunting endeavor. But with the help of Todd, homeowners can have their home ready for sale with a few simple, but important steps.

First, make sure that your home is clean and clear of clutter. Remove all of your personal belongings. Pack up your family photos and be sure to clear clutter from around your tables. Buyers want to see your HOUSE, not your HOME. Be sure to paint your ceilings and walls to give the interior of your home a fresh and clean look.

Additionally, be sure to clean your furnace and chimney before the staging, to ensure that it is running efficiently. Make sure your home is warm in the winter and cool in the summer. Buyers want to see that your house can be comfortable in any climate, so be sure to adjust the temperature accordingly.

Finally, make sure your home is well lit. Dim lights can make your space seem small and cramped, but a well-lit room displays a lofty and inviting atmosphere.

Todd L. Perkins is an *experienced and knowledgeable decorator* with the skills to stage your home perfectly. Be confident in the beauty of your home with the help of **Todd -L. Perkins Design**.
