

Swim For Life

Wherever your own life is

Join us **Saturday, September 8** for the
Provincetown Swim for Life and Paddler Flotilla.

If you can't be there that day you can still join our special community...
Swim wherever you are in the world and join the
1st Annual Satellite Swim of the 31st Annual Swim for Life.

What is a Satellite Swim? Whatever you want it to be!

- If you live too far away or can't make it that day or if your team is too large to travel to Provincetown
- If you are injured or challenged to swim in the ocean
- If you are too young for the open water and want to swim laps of a pool instead
- If you can't swim that distance all in one day you can accumulate laps/distance over any length of time.
- If you want to raise money to be part of the Provincetown Swim For Life community

Wherever You Are - We Welcome Every Swimmer To Join Us!!

To learn more or for ideas about how you can join the Satellite Swim For Life, email jay@thecomact.org
