

**i like like you**  
i really do

**want to go steady?**  
we can hold hands and everything

you are **drop dead** gorgeous

i'd take **an arrow** for you

## **i would like to...**

- get naked
- cover you in whipped cream
- have a candlelit dinner
- tie you up
- make a baby
- watch a chick-flick
- cuddle
- do the big nasty
- blow your mind
- open a bottle of wine
- fondue
- cover you in chocolate
- kiss you
- read you a sonnet
- give you bed head
- make your toes curl

**let's get naked**  
and see what happens
