

Cassandra's Dream

Ian

Terry, what are you doing here? How did you know where I was?

Terry

Kate had the address. I need to tell you something.

Ian

Look, just keep your voice down. I don't want anyone overhearing. Why didn't you just give me a phone?

Terry

I want to turn myself in Ian.

Ian

What?

Terry

We broke God's law.

Ian

God? Terry what God? What God you idiot? God!

Terry

I should have never let you talk me into it.

Ian

I didn't talk you into it. Terry, stop deluding yourself.

Terry

I want this off my neck.

Ian

Look. You can't do this Terry alright? You can't do it. You'll be throwing your whole life away. And mine and Uncle Howard's!

Terry

I won't implicate you and Howard.

Ian

You won't...

Terry

This is my personal decision.

Ian

You won't be able to keep us out of it.

Terry

I will.

Ian

No. Your upset you're unstable. Your lies will be all transparent.

Terry

I thought about suicide Ian.

Ian

Well...Why?

Terry

Stop asking the same questions over and over.

Ian

Well go and commit suicide and leave me and Howard out of it.

Terry

I just want the slate wiped clean.

Ian

Look, your depressed. You're just suffering from a little depression. That's all.

Terry

Kate wants me to see a Doctor.

Ian

No, no, now look, I can help you. If you'll just let me.

Terry

I just want to tell someone. Serve my punishment. Have it off of me.

Ian

Alright. Just give me a minute here to get my thoughts in order Terry will ya?

Terry

I wish you could come with me, but if you won't I understand.

Ian

Just give me a minute.

Terry

I feel less panic since I made this decision.

Angela

Hi, you okay? Will you join us?

Ian

Terry and I are just discussing a little problem. Everything will be alright.

Terry

I just had to talk to Ian about something.

Angela

You sure?

Terry

Yah

Ian

You go on, I'll only be a minute.

Terry

She's very beautiful. She'd make a great wife.

Ian

Look ,Terry. Terry listen to me. I want to help you I do, but this is not the time or the place.

Terry

I'm sorry for barging in .

Ian

Nah, nah, it's alright, it's alright. Look I want to hear what you've got to say. We're family, you're my brother.

Terry

Yah, we can talk, but you're not gonna change my mind.

Ian

Well, maybe not. Maybe you'll even change mine eh? But, Just promise me one thing. We gotta have a discussion about this before you plunge ahead....promise.

Terry

Alright.

Ian

Promise

Terry

I promise. Come in and get a drink?

Ian

No. That's not a good idea. You go. I'll give you a call tonight.

Terry

Call me tonight.
