

Step Brothers

INT. DOBACK HOUSE - NIGHT

Dale and Brennan are lying in separate beds. They whisper to each other...

DALE
Hey. You awake?

BRENNAN
Yeah.

DALE
I just want you to know I hate you.
And so does my dad.

BRENNAN
Well that's fine. 'Cause guess
what? I hate you too. And this
house sucks ass.

DALE
Well the only reason you're living
here is because me and my dad
decided that your mom was really
hot and maybe we should just both
bang her. And we'll put up with
the retard in the mean time.

BRENNAN
Who's the retard?

DALE
You.

BRENNAN
(Yelling)
Hey you don't say that!

DALE
(Whisper)
Shut up! Wake up my dad and get me
grounded...

BRENNAN
(Loudly)
Just shut up!

DALE
You and your mom are hillbillies.
This is a house of learned doctors.

BRENNAN
You're not a doctor. You're a big
fat girly-headed fuck.

DALE

Oh, yeah?

BRENNAN

Yeah.

DALE

I'm a girly-headed fuck?

BRENNAN

Yeah. You better not go to sleep. As soon as your eyes shut I'm gonna punch you square in the face.

DALE

I hope you stay still when you sleep. 'Cause I'm putting a rat trap between your legs.

BRENNAN

I'm gonna take a pillow case and fill it full of bars of soap and beat the shit out of you.

DALE

I want you out of my fucking house.

BRENNAN

No way, Kemosabe. This is my house now.
