Algae? This is a color?

Katherine  
And there will be plenty of room for the children..

Albert  
Children?

Katherine  
James says that spacing them 3 years apart will be optimal for their mental development.

Albert  
But what about your mental development?

Katherine  
What?

Albert  
Your research...

Katherine

Albert  
Katherine, when your father asked me to care for you., I tried to tell him that the things that I know are not very useful in the real world.

Katherine  
That's why I am so lucky that I have James. We have common goals, & interests. He's brilliant, organized, a planner. I find him very stimulating... intellectually.

Albert  
Yes, but what about Love, Katherine?

Katherine

Albert

I said, when does this all happen? This wonderful organized life?

Katherine

Albert

Oh, that's what they say...

Katherine

Ah, this is the happiest day of my entire life.

Albert

Don't worry. Leapshin, it will work out.

Katherine

Ah, disbrekmismere?

Albert

Disbrekmismere. I promise.

Katherine

O!
