

EVIE
Thank you.

GEORGIA
All right, look –

EVIE
I know what you said.

GEORGIA
About what?

EVIE
That I wanted it –

GEORGIA
Forget it. I'm sorry I said that Evie.

EVIE
There are things that happen that you just don't choose. They just ... You embrace them and they become part of your identity. And mom left dad to me, or least -- I don't know -- it felt like she did. And part of me was so ... proud. Then the other part of me just resented every second of it ... because he is just a handful.

I should have been here. I should have been here and I know that. But I knew that if you were here, he didn't need me. I mean, let's face it – god help anyone who needs me.

EVIE
I needed you. He didn't need you, I needed you.

GEORGIA
I'm sorry. I'm very sorry, all right. Very sorry.

EVIE

I'm sorry too. I love you very much. Do you know that?

GEORGIA

I love you. And I gave you that great speech.

EVIE

And I'm very grateful.

GEORGIA

Okay, you're grateful. Shut up... You know eve, I have never been jealous of anyone in my entire life ... but I have to admit, I am just the tiniest bit jealous of your heart. You forgive me?

EVIE

I love you. I do.

GEORGIA

I love you.
