

CLIMATE CHANGE

Co-sponsors the Green New Deal; wants to declare climate change a "national emergency"

Does not support the Green New Deal; has a plan for clean energy that does not allow for U.S. development assistance for high-carbon projects

RUSSIAN AGGRESSION

Advocates for additional sanctions and working with European allies

Need for U.S. to provide security and economic assistance to Ukraine and foster its energy independence from Russia.

AFGHANISTAN WITHDRAWAL

Wants a full withdrawal, but unclear timetable

Wants a withdrawal from Afghanistan minus special forces counter-terrorist operations

IRAN/JCPOA

Would rejoin JCPOA

Will only recommit to JCPOA if Iran back tracks on its current nuclear trajectory

NORTH KOREA

Would agree to partial sanctions relief in return for partial dismantling of nuclear program

Wants to use JCPOA as blueprint for agreements with North Korea

APPROACH TO VENEZUELA

Would not recognize Guaido; Would support negotiations between the Maduro government and the opposition

Would not recognize Guaido; ambiguous on military intervention and wants stronger sanctions on Maduro government

TRADE: USMCA/TPP

Does not support USMCA or TPP

Supports TPP as counter to China

APPROACH TO SYRIA

Supports "strategic" withdrawal

Opposed to recent withdrawal, unclear otherwise

RELATIONS WITH CHINA

Emphasizes that the U.S. has a limited number of options dealing with China; Opposes China's human rights record

Advocates non-adversarial relationship with China; Opposes China's human rights record and territorial aggression; Emphasizes cybersecurity

STATUS OF AUMF

Allow Congress to "reassert its Constitutional role in warmaking"

Unclear on AUMF repeal
