Hi

THE CLOCK HAS STOPPED

We have always realised that clients fear that every time they talk to us the clock is ticking. Finally we have the solution for all our clients.

VALUE REPLACES TIME

As from 1 July we are tearing up timesheets and entering a Value Price Agreement with every client for every assignment.

You are invited to a launch of this new era at 2IC Management on Friday 30 June at 6.00pm. We believe it is very important for you to attend as on the night you will: -

- Learn how the system works and the benefits for you – like free phone calls and meetings.
- Join us in *Stopping the Clock*
- **Qualify for free holidays; and**
- Yes, we'll even buy you a New Years Eve drink

Enclosed are other details specific to your situation. **As an indication of how keen we are for you to attend we have enclosed a Free Holiday Booklet. Please bring this letter and the Holiday Booklet to receive your validation stamp and join us in our ceremonial Tearing of Timesheets.**

SILVER SERVICE PACKAGE

The attached invoice is a DRAFT based on our new Value Pricing Policy. We have issued it now because it may be of interest to you before 30 June.

Please read the attached Value Pricing Agreement (VPA) and note our Value Guarantee and Pricing Guarantee

The attached proposed VPA is based on our understanding of your affairs based on previous years' experiences. If your circumstances have changed or you would like to upgrade to a different VPA package please contact us.

If you would like to discuss the detail of our proposal we are keen to do so to ensure you fully understand it.

From 1 July all VPA's include unlimited access to your advisors by way of telephone calls or meetings – that's right no extra fees – the clock has stopped.

Because of your taxation circumstances you are able to prepay your 2006/07 fees and gain a tax deduction in 2005/06. In addition to gaining a tax deduction earlier some taxpayers will get a better tax benefit this year with the drop in tax rates next year. You will notice the payment terms detail a discount if paid before 30 June. The other method of payment allows you to spread your payments over 6 instalments rather than being surprised with one lump sum liability.

Please be sure to come to our Stop the Clock Launch on 30 June 2006.
