1. The **1940 Selective Services and Training Act** eventually required men between the ages of 18-45 to sign up at local draft boards. **Fill in the circles** with the **names** of those who would have been affected by this draft -- specific names or titles of those in your community (doctor, librarian, etc.)
2. After the bombing of Pearl Harbor, Americans of **Italian, German, and Japanese** ancestry faced draft and enlistment restrictions. **Circle** any names of those who would have been affected by these.
