## **Adoption Event**

**Camarillo Petco 177 West Ventura Blvd.**

**Saturday April 13th \* 11:00 AM - 4:00 PM**

Stop by this coming Saturday to learn more about Roxy, Duke, & other available German Shorthaired Pointers. John, Teri, & David will be onsite to answer any questions you might have about the California GSP Rescue and available dogs. A great opportunity to learn about the breed, rescue, and the adoption process.

**Come out and meet some of our dogs!**

**Roxy** is an adult female purebred GSP. She has a small frame and, thanks to her foster home, has shed quite a few excess pounds. She is looking good!

**Duke** is an adult male purebred GSP that loves to play fetch. Great on walks as he doesn't pull and gets along well with most other dogs.

### **Everyone can help!**

Unavailable to adopt? You can still help! Simply share this flyer with someone that might be interested in adopting and providing a home for a GSP. This flyer can also be posted on bulletin boards at coffee shops, work, churches, or anywhere else dog lovers frequent.
