people are
needed.

NELLIE

5 year old GSP Mix. She has a longer coat than most GSP's, but definitely has some typical GSP markings. Nellie is "Patient" and "Snuggly" with children. Gets along with most male GSP's, but does not like cats or dominant female dogs. She knows sit and stay and comes pretty well to her name. She will need exercise and continued training, but is the perfect age not requiring the demands of a younger GSP.

California GSP RESCUE is a breed-specific Rescue specializing in German Shorthaired Pointers (GSPs), however, from time to time other breeds find their way into our rescue. As a not-for-profit organization, we operate through volunteers and networking to assure proper placement and lifetime assistance for each dog and enjoyment by adopting families. All dogs are altered, vaccinated, micro-chipped, and come with a warranty contract which provides lifetime training and support.
