ANNA

Anna is an adult mostly liver female GSP. She acts as energetic as a dog half her age. She is full of spunk and loves to walk on a leash. She knows sit, stay and leave it and most recently discovered she can roll over. Best if Anna is placed in a home as an only dog.

California GSP RESCUE is a breed-specific Rescue specializing in German Shorthaired Pointers (GSPs), however, from time to time other breeds find their way into our rescue. As a not-for-profit organization, we operate through volunteers and networking to assure proper placement and lifetime assistance for each dog and enjoyment by adopting families. All dogs are altered, vaccinated, micro-chipped, and come with a warranty contract which provides lifetime training and support.
