HUNTER

8 year old male that would love to be out in the field or hiking. While Hunter has plenty of energy and a strong prey drive, he also can be extremely sweet and affectionate. He enjoys getting attention and treats, making a good candidate to train. Adult GSP's are perfect for most families as you can skip a day or maybe two days of exercise, but is not true for younger GSP's.

California GSP RESCUE is a breed-specific Rescue specializing in German Shorthaired Pointers (GSPs), however, from time to time other breeds find their way into our rescue. As a not-for-profit organization, we operate through volunteers and networking to assure proper placement and lifetime assistance for each dog and enjoyment by adopting families. All dogs are altered, vaccinated, micro-chipped, and come with a warranty contract which provides lifetime training and support.
