## SASHA & KASEY

6 Year old bonded sisters who were given up because of a divorce. They have been together their entire lives and GSP Rescue is searching for an adopter able to give them a home together. They are friendly with other dogs, love to play, are crate-trained and answer to that all-important command, "come". If you have room for these lively sweethearts, contact us.

**California GSP RESCUE** is a breed-specific Rescue specializing in German Shorthaired Pointers (GSPs), however, from time to time other breeds find their way into our rescue. As a not-for-profit organization, we operate through volunteers and networking to assure proper placement and lifetime assistance for each dog and enjoyment by adopting families. All dogs are altered, vaccinated, micro-chipped, and come with a warranty contract which provides lifetime training and support.
