Intercessor Prayer Partner

Bi-weekly Conference Call

Lead by Ruth McNeil, Church Relations Director

3 pm Monday and 9 am Friday—beginning January 13, 2020

Call-in number will be provided in an email reminder

This partnership of prophetic intercessors will come together to call down heaven's protection, provision and pronouncements for the Church Ambassador Network (CAN). Ruth will also share prayer requests and status updates on Citizens for Community Values (CCV) during the call.

A spiritual covering over our mission work, team, partners and donors is critically necessary. As a modern-day David, CCV challenges the Goliath spirit that seeks to abolish God's governmental order from our culture through the legislative process. Our organization's reality is that attacks will continue to come at us with every battle victory we claim. If you sense a calling to be an intercessory prayer partner with CAN, register online at ccv.org/CANpartner and select *Intercessors*. We will follow up shortly after!
