된장찌개 / 계란찜

WHOLLY DELICIOUS.

Grown on an intentionally diverse diet and located in Royal City, Washington, Royal Ranch cattle are fed a mix of nutrient-rich, local green cover crops, grains and vegetable matter and finished on a high-quality hay and corn mixture. This wide variety of seasonal inputs assures the marbling that we crave occurs throughout their full life cycle — not just the final third. This results in wonderful consistency in texture, tenderness and flavor.
