TRAVELING  
TEAM**

# DISCOVER YOUR PURPOSE

I remember the excitement and courage I felt as my faith began to move me into God’s mission. I was tired of sitting on the sidelines, and I knew I needed to start somewhere. I was confident God could use the unique way He designed me to help others in far away places come to know Jesus.

I also remember the box of applications from mission agencies I’d collected. Honestly, the brochures and interest forms all looked the same and that box made me feel completely unknown. When I looked at the brochures, it reminded me I was starting at zero and had no one to guide me. I even called one of the groups in an effort to talk with a real person, but I never heard back. My mission in the world began to lose momentum. Eventually, I threw away the entire box.

But God used normal people to draw me back to His plan. God used a peer who knew me and who knew more about these mission agencies than I did. I felt like I had an advocate on my side. It was a personal connection—not a brochure or a website—that made all the difference.

Almost every day of the year, The Traveling Team connects students just like you to unique opportunities that fit who God made them to be. We want to help you find your best “yes.” And, since we are not recruiting to our own

things, The Traveling Team can be a neutral and unbiased advocate you can **TRUST**. We have spent 20 years building relationships with the largest mission agencies in the world, just so we can better match you with reliable organizations who have track records of seeing the Church planted among the unreached.

Imagine what might happen if God opened a new door that you never would have found on your own. This booklet was created to be a companion to help you get started, but we would love to personally journey with you until you find God's best. Most people default to what they know and rarely venture beyond what has always been done. We can help you see further, go faster, and with the help of God's Spirit, discover the purpose you were meant for in God's global story.

# HOW TO USE THIS BOOKLET

## YOU EXPECT ME TO READ THIS WHOLE THING??

Well, yes and no. We wanted to create a user friendly guide that could help you navigate next steps with some of the best resources that we have available. Throughout this book, you will find information that will help you and your friends pursue God's Mission through going.

## HERE'S HOW TO GET STARTED:

- 1 Read: "Finding God's Direction for My Life." **PG 8**
- 2 Look at the mission agency matrix (**PG 20-23**), find a few organizations that interest you, and then check out their pages in the booklet. If you like what you read, email/call them or check out their website for more info.
- 3 If you're having trouble getting started, go to [missionagency.org](http://missionagency.org) (more info on **PG 17**) or contact one of The Traveling Team staff who visited your campus!

# FINDING GOD'S DIRECTION FOR MY LIFE

With the whole world before you and a passion to reach it, where do you dive in? This problem of “overchoice” can be paralyzing for people in a society where keeping your options open is a high priority.

So, how do you find God’s specific direction for the journey he has for you?

**HERE ARE 5 SIMPLE STEPS TO HELP YOU KNOW  
WHERE TO START!**

# 1

## LISTEN FOR GOD'S LEADING.

**START BY ASKING THESE 2 QUESTIONS:**

IS THERE A RELIGIOUS GROUP I AM  
DRAWN TO SERVE?

IS THERE AN AREA OF THE WORLD I  
FIND INTERESTING?

Listen for God's leading, but don't over-spiritualize it. The principle is that God clarifies in the midst of obedience, not beforehand. God doesn't give us specific directions, but He will give us a direction. So don't wait for everything to be perfect; get going, and ask God to lead you.

**GOD CLARIFIES IN THE MIDST OF OBEDIENCE, NOT BEFOREHAND.**

# 2

## KILL THE EXCUSES

### **I'M NOT CALLED.**

This is the one that sounds spiritual at first, but think about it—in His Word, God has already told us to go, so we probably shouldn't expect him to repeat it to us personally in some elaborate way. In fact, He commands all believers to “go into all the world, and preach the Gospel to every creature.” (Mark 16:15) There's a very real sense in which we are all “called!”

### **I CAN'T RAISE THE MONEY.**

This is a real fear. Everyone who has started a business or something great has faced the challenge of asking people to invest in their vision. The great news is that this is not your vision—it is God's vision. Many believers are actually looking for ways to connect their giving to global missions, and believe it or not, they need you to obey in asking so that they can obey in giving. As you are faithful in asking, God will help raise the money you need. Here is an article that can help you:

[THETRAVELINGTEAM.ORG/ARTICLES/SUPPORTRAISING](http://thetravelingteam.org/articles/supportraising)

## **MY BOYFRIEND/GIRLFRIEND DOESN'T FEEL CALLED.**

This is one of the most common things that keeps people from going to the mission field. If you're dating someone who doesn't share the same vision as you, it may not be God's will for you to marry (or date) that person. Whether or not you break up with them is not the point. The principle is that a dating relationship shouldn't interfere with your obedience to what God is asking you to do.

## **GOD NEEDS PEOPLE TO STAY HERE TO BE A WITNESS TO THOSE LOST IN AMERICA. THERE'S ENOUGH NEED RIGHT HERE!**

Since America has only about 5% of the world's population, then only about 5% of the believers would really be called to stay in this country as a witness (that's only about 1 out of 20); the rest of us should go into the parts of the world where there are almost 0% believers. So if you already know twenty Christians living here, guess what—you can leave America in their hands and get going to the unreached.

**Kill the excuses before they kill your vision.  
Don't waste your summer. Don't waste your life.**

# 3

## FIND A ROLE TO PLAY

With all the resources God has given the Church, we could reach the world for Christ any Saturday we want to. But first, we must be willing to change where we live and where we give. Our vision is for you to become a “goer” or a “sender” in God’s global mission.

**YOU CAN'T DO EVERYTHING.  
BUT EVERYONE CAN DO ONE THING.**

**How will you be a GOER or a SENDER?**

## MOVING

**Go** by moving cross-culturally with a focus on the unreached peoples of the world. Start by going on a short-term trip for a summer while you're in college. While you're there, pray about going for a lifetime. Only 4% of long-term missionaries are going to 97% of the world's unreached, so the need for workers is too great to be ignored.

## WELCOME

**Go** by simply crossing campus and reaching out to international students. Most international students come from countries where it is illegal to go as a missionary. The four years they are on your campus might be their only chance to hear about Jesus.

## PRAY

**Send** by praying for workers and for the unreached world. Apart from prayer, no lasting work among the unreached will be accomplished. So grab a friend, use a resource like Operation World or Joshua Project, and start praying.

## GIVE

**Send** by using your finances to launch out others that are taking the gospel to the unreached world. Don't think about giving your spare cash, because who has that, right? Instead, give sacrificially (like Jesus). Ask yourself what expense you could give up so that you can support others.

# 4

## ASK THE RIGHT QUESTIONS

Being a Global Christian doesn't just happen when you cross the ocean. There are steps you can be taking right now to better understand the role that God has for you. Here are a couple of things to consider as you start to look at the "when" and "where" of your involvement in global missions:

### GIFTING

This is the question of, *"Can God use my talents, career, degree, or skills to serve in this strategic area where I feel Him leading me?"* He may want to use your talents, or He may not. Hold your talents with an open hand, and ask God how you can use your life for the kingdom.

### AGENCY

*"What mission agency or sending organization can train and send me?"* Don't just go with anyone. It is a good idea to become familiar with several agencies that work in your area of interest so you can find the agency that best fits you.

# 5

## LIVE OUT YOUR VISION

The Traveling Team is here to help! Fill out a profile at [MISSIONAGENCY.ORG](http://MISSIONAGENCY.ORG) and we will personally match you with one or more of the agencies on the following pages.

### QUESTIONS TO ASK YOURSELF WHEN CHOOSING AN AGENCY:

**TIME:** What kind of time frame am I thinking? A summer, a month, a year, or more?

**ABILITIES:** What is the mission and vision God is leading me to?

**PLACE:** Is there any part of the world that I am most interested in going to?

## ABWE

**OUR MISSION** ABWE is a global family of ministries that exists to fulfill the Great Commission by multiplying leaders, churches, and missions movements among every people. For nearly 100 years, our missionaries have focused on evangelism, discipleship, church planting, and national leadership training to advance the gospel across more than 70 countries. We're committed to gospel centrality and reproducing healthy, biblical local churches. And whether your platform is teaching, training, medicine, business as mission, or any other skill, your calling is our passion.

## WHY ABWE?

- 1. DEDICATED TO DOCTRINE**  
We are unwaveringly committed to gospel-centrality and the exclusivity of Christ.
- 2. LOCAL CHURCH CENTERED**  
We are a family of more than 500 churches sending missionaries to advance the Great Commission through evangelism and discipleship.
- 3. ANY SKILL OR PLATFORM**  
Our robust trainings help students using any skill set or platform—teaching English, helping run a business, or serving in a medical clinic—to make disciples.
- 4. CHURCH PLANTING**  
Our teamwork-focused model means that every missionary, no matter what platform they're using, is part of a church multiplication team, planting new churches, or helping equip and multiply existing fellowships.
- 5. NATIONAL PARTNERSHIPS**  
Our mission is too big to do alone. We'll go to the unreached, but if nationals are already effectively serving, we'll join in and work with them to multiply their impact.

“After my internship with ABWE, I was convinced I wanted to serve with them long-term.

The team welcomed me into their ministry family, acting as seasoned guides as I processed culture shock and new experiences.

I made deep connections with the local people because I was able to engage in their cultural activities and learn their language. In the final week, one of the local women came up to me with tears streaming down her face. She explained she had been deeply encouraged by Jesus in me, and asked if I would return to live in her country long-term. This internship hadn't just changed my life but the locals as well.

### WAYS TO SERVE

- **SHORT-TERM** We offer a variety of short-term trips with a wide range of ministry opportunities, designed to meet a temporary need of one of our teams on the field or help someone explore their fit in missions. I.e. Our 1 - 2 wk international healthcare mission trip serves as a compassionate care platform to draw unbelievers to Christ, strengthen and multiply churches, and support national mission movements.
- **INTERNSHIP** Invest 1 - 6 mo serving alongside long-term missionaries and experience what full-time missions is really like. ABWE offers 15 established internship opportunities where you can easily plug into dynamic ministries. But as we know, missions isn't one-size-fits-all, so we also offer customizable internships for specific regions or ministries.
- **LONG-TERM** We have mid-term programs that are designed for individuals who want to spend 1 - 4 yrs serving cross-culturally and reaching the nations for Christ, while getting apprenticeship experience and discerning long-term direction. Our long-term programs are for those sent by their church to serve longer than 4 yrs. We are looking for those that want to use their passions and giftings to multiply leaders, churches, and mission movements.

## AIM

**OUR MISSION** Africa Inland Mission (AIM) has a heart for sharing the Good News among Africa's remaining unreached peoples and a passion to see Christ-centered churches established and thriving across the African continent and among Africans living around the world. Working in teams, we go to some of the hardest places, privileged to have a part in God's redemptive work.

## WHY AIM?

### 1. AFRICA'S UNREACHED PEOPLES

This has been our heart since the beginning, and remains our primary focus today. AIM currently has engagements among 90 distinct people groups across the continent. And because many of Africa's remaining unreached peoples are Islamic, we have a significant focus on Muslim ministry. We also work among the African diaspora all over the world!

### 2. EXPERIENCE

We've got well over a century of ministry experience under our belts, and we've learned a lot along the way. We have a great ministry family on the ground with a deep understanding of Africa and her peoples.

### 3. HANDS-ON MISSIONARY TRAINING

As an organization, we value life-long learning and our approach to outreach is that we come as learners. Teams, under the guidance of

an experienced missionary leader, seek to understand a people's culture and language as they explore opportunities to make Christ known among their new neighbors and friends.

### 4. MEMBER CARE

We provide coaching, training, and a listening ear through the support-raising process. AIM has our own counseling ministry for both AIM personnel and missionaries from 160 other organizations and our annual conferences help enrich our personnel and foster community.

### 5. DIVERSE MISSIONARY TEAMS

With mobilizing offices in the U.S., Canada, the UK, Brazil, Australia, New Zealand, South Africa, Hong Kong, and Korea, our missionary family is diverse and multicultural. Christ's Great Commission is for believers everywhere, and we're grateful for our international team that works together to make him known.

“ For I decided to know nothing among you save Jesus Christ and Him crucified,” (I Cor 2:2). No words have been more helpful than Paul’s when I left for Africa on a medical mission trip. When stepping off the plane into Kenya, everything was different. Nothing was familiar.

I encountered so many new experiences and feelings as I observed the poverty, suffering, and lack of my westernized idea of justice.

Feeling helpless in many ways, I kept coming back to the same truth—Jesus and His redemption narrative! He gives more grace, heals the brokenhearted, and gives light to the blind. Even when justice, relationships, and culture seem upside down, Jesus will eventually make all things new. My trip to Africa was a stretching time... and it was amazing!

### WAYS TO SERVE

- **SHORT-TERM** Bring your gifts, talents, and calling to a personalized short-term assignment ranging from a month to a year. Talk to us about how your interests can be matched to real needs on the field. You can serve with a Quest trip amongst Africa’s least-reached people groups, ministering alongside AIM’s outreach team. You will receive training, participate in outreach, learn language, and get mentored by missionaries.
- **INTERNSHIP** The Go Program is a 2 month discipleship and mission training program designed to build character and instill skill for cross-cultural outreach. There are different options to serve each year, including medical opportunities, community outreach, and teaching in various locations in the African continent.
- **LONG-TERM** Serve for 2 years or longer as part of an AIM ministry training team, in which you and your teammates will serve under the guidance of experienced team leaders among an unreached people group. These teams are designed to equip men and women for long-term church planting work while actively sharing the Good News among the unreached.

## CHRISTAR

**OUR MISSION** The vision of Christar is to cultivate Christ-honoring transformation in communities where He is yet to be worshiped. We are about establishing churches among the least-reached—those who don't have access to a church where the gospel is preached in their language or in a culturally relevant way, yet.

## WHY CHRISTAR?

- 1. PRAYER**  
Christar values a humble dependence and growing love for God and a serious commitment to prayer. We can't do the work to which He calls us in our own strength.
- 2. PASSION FOR LEAST-REACHED**  
We're looking for people who walk in step with Jesus and have a passion for the least-reached. We are looking for team-players who work together and challenge each other to see obstacles as opportunities for God to show up, for His glory.
- 3. COMPLEMENTARY TEAMS**  
Christar's teams share complementary gifts and a commitment to the goal of planting churches among the least-reached. We model the Body of Christ through our ministry plans, fellowship, mutual care, and accountability.
- 4. COMMITMENT TO DISCIPLESHIP**  
Jesus told His followers to go and make disciples. We continue to make disciples, and not just among the least-reached. We provide mentors to counsel, encourage, and pray with potential workers every step of the way.
- 5. INNOVATION**  
In addition to more traditional models, Christar is helping Christian professionals use their careers to open doors into least-reached communities as well as offering internships to give university students ideas of how they could serve God with their training and skills in the future.

“When my plans to go to Southeast Asia for my summer college internship were derailed due to COVID-19, I found myself in the Midwestern U.S. serving alongside Christar workers instead. Though this was very different than what I anticipated doing, I learned and experienced many new things as I ministered among refugees with my hosts.

I had so many great conversations with kids. One sixth grade boy had never had a Bible, and he asked me why we need Jesus! There were lots of small victories of prayer, and sharing the light of Jesus with those who need it.

## EAST-WEST

**OUR MISSION** East-West exists to evangelize the lost and equip local believers to multiply disciples and churches among the unreached. ## WHY EAST-WEST?

### 1. STRATEGIC FOCUS

East-West operates in over 60+ countries that encompass 10 major world regions. Our focus is on reaching the over 3 billion people in the world living in unreached people groups, with no access to the gospel of Jesus Christ. We engage the unreached with a church planting strategy that is innovative, reproducible, and sustainable through the equipping of national believers.

### 2. CUSTOMIZED TRAINING

We are committed to helping our people thrive in their roles. To that end, each staff completes a Personalized Care Plan to ensure optimum personal and professional health before deployment. In addition, staff are equipped for ministry with a security intensive, pre-field residency, support-raising coaching and cultural acquisition education.

### 3. STAFF RESOURCES

We are blessed to have a diverse team of subject-matter experts which enable us to provide excellent support to our staff. This includes our crisis response team, international security personnel, in-house marketing agency, field deployed member care, and donor management software.

### 4. ORGANIZATIONAL INTEGRITY

We are proud to announce that Best Christian Workplaces Institute recently certified East-West as an excellent workplace for the seventh year in a row. In addition, we are accredited for excellence by ECFA and GuideStar.

“After my freshman year I decided to join East-West on a short-term mission trip to Southeast Asia. For 10 days, I joined a team of college students to partner with long-term missionaries in evangelism and basic discipleship. While there, I was stunned to meet person after person who had never heard the name of Jesus. The reality of the unreached changed my life.

After returning home, the burden for these people grew on my heart. Soon thereafter, I committed to return to Southeast Asia and join the team as a long-term missionary! After a few short months of training and preparation, I was back in Southeast Asia to learn language, experience culture, and establish my life abroad! I have been living here as a Church Planting Catalyst for a few months now and God has already used my elementary language skills to lead a local man to Christ.

“ We sent our first team of teachers to Oman to work under very strict, cultural rules. One day during Ramadan, some of our team were asked to join a devout Muslim family for dinner.

The father of the family told our team he had invited them over to thank them for how they respected his culture and how professional they were.

During the meal, the father asked our teachers questions about what they believed. “You must be Christians!” he noted cheerfully. “I can tell by the way you act. Tell me, have you ever experienced answers to prayer? Have any of you ever had a dream or a vision from God?” The questions took our team by surprise, but they tentatively began to speak. Once they saw his receptive expression, they answered fully and with enthusiasm.

## ETHNOS360

**OUR MISSION** Motivated by the love of Christ and empowered by the Holy Spirit, Ethnos360 exists to assist the ministry of the local church through mobilizing, coordinating and equipping believers to evangelize among unreached people groups, translate Scriptures and see indigenous churches established that glorify God.

## WHY ETHNOS360?

- 1. CULTURALLY AWARE**  
Since all people should hear the gospel in their heart language, our first task is to become fluent in the culture and language of whatever group we go to.
- 2. BIBLE TRANSLATION**  
Since everyone should have the written Word of God in their heart language, we translate the Word of God into clear, comprehensible, culturally correct heart languages.
- 3. TEACHING LITERACY**  
In order to feed themselves from the Word, we teach literacy to those who have never had their heart language written down.
- 4. DISCIPLESHIP**  
Our goal is a thriving church for every people. Therefore, discipleship and mentoring in the heart language are of paramount importance in developing Biblical leadership within each people group.
- 5. ONGOING TRAINING**  
We believe solid, ongoing training is essential for the success of the missionaries we send out for the long and difficult task of establishing a thriving church.

“ Marcel went on an Interface trip and spent 6 weeks in Papua New Guinea learning language, culture and how to best minister to the least reached peoples in the world. Over the summer his view of God and God’s will grew. Marcel said,

‘It’s not about me making sure that I do what’s most comfortable and what I’m most familiar with, but it’s how God would choose to use me.’

‘He has given us all skills that He can use, and I think it’s just trusting Him that it will all fit into His plan. It’s not my plan—it’s His.’

We are uniquely focused on Europe, recognizing the strategic and spiritually needy continent that it is, filled with peoples from all over the world.

As people seek physical refuge in Europe, God continues to give the church and GEM amazing opportunities to meet physical as well as spiritual needs of those arriving and settling across the continent.

“ In 2017, I served Muslim background believers and North African refugees in France with Greater Europe Missions (GEM).

While there, I sought to share stories of what God was doing through photojournalism by taking photos, asking questions and learning about the culture.

Through that summer in France, God has gently guided me to each step until today where my wife and I are currently support-raising to serve with GEM in Germany long-term. We hope to encourage, equip, and mobilize workers for the furtherance of His kingdom from Europe to all nations.

## GLOBAL GATES

**OUR MISSION** The core mission of Global Gates is to see gospel transformation of the world's most unevangelized people groups who have come to global "gateway cities", and through them reach their communities around the world.

**WEBSITE** GLOBALGATES.INFO

**AGENCY SIZE** 100+ WORKERS

**YEAR STARTED** 2012

**CONTACT** [MOBILIZATION@GLOBALGATES.INFO](mailto:MOBILIZATION@GLOBALGATES.INFO)

## WHY GLOBAL GATES?

- 1. DIASPORA**  
The world's people are on the move. Globally, over 272 million + people currently live away from their home country (United Nations, 2019). Global Gates is focusing on a new era of missions aimed at reaching a world already connected through global diaspora relationships.
- 2. GATEWAY CITIES**  
As an organization, we focus on "gateway cities". "Gateway cities" are midsize urban centers that act as a port of entry into a country. We believe these cities are strategic because global migration and technological advancements have spawned a new era in pioneer missions. They have created unprecedented opportunities to take the gospel to the ends of the earth through the gateways provided within our own cities.
- 3. UNREACHED PEOPLES**  
Global Gates is focusing on the unreached in cities who have been neglected or written off as too difficult to reach. We seek to start churches among peoples who do not have one. And when they do have a church, we want to help them multiply a movement of disciples and churches that will transform their community with the gospel.
- 4. DISCIPLE-MAKING MOVEMENTS**  
We are trusting the Lord to bring about disciple-making and church-planting movements among unreached peoples in and through gateway cities. Global Gates is committed to best practices that the Lord is using around the world, seeking His guidance in how best to adapt and implement these methods for reaching unreached peoples in global gateway cities.

“

As a student of the Gospel since my youth, I jumped at the opportunity to work with Global Gates. I joined a university trip to New York City where Global Gates trained us in effective evangelistic methods and bridging the Gospel from one's religion. Afterwards, they sent us out two by two to walk in the Holy Spirit and prayer. I experienced God like never before. My partner and I walked by faith and encountered internationals that had never heard of Jesus. Many from countries where the Gospel hadn't reached.

We reached the nations without ever leaving our own. Working with Global Gates opened my spirit to how God is working in America, and I gladly joined the Global Gates team in Houston as a result. Now, I get to help others learn sharing about Jesus is easy and accessible whether to people of similar or diverse cultures.

”

## REGIONS WE SERVE

North America

## WAYS TO SERVE

- **SHORT-TERM** We offer week long trips in the US where you will engage in evangelistic/discipling relationship with unreached people. Your team will greatly multiply Global Gates's efforts to seek and find people of peace who desire to know more about Jesus. That being said, our short-term trips mainly involve prayer and personal evangelism.
- **INTERNSHIP** Global Gates' ministry exists to see an ever-expanding network of churches being planted among unreached people groups. Interns will serve from two months to one year on a Global Gates team in a gateway city, meeting weekly with team members and creating bridges for the gospel.
- **LONG-TERM** While God has used Global Gates in a variety of ways for His Kingdom, our greatest impact occurs through the catalytic work of our part-time and full-time missionaries. Global Gates missionaries are a mix of Christians from unreached people groups with a passion for reaching their people, and cross-cultural workers who range in experience from beginners to seasoned veterans.

## GLOBAL SERVE INTERNATIONAL (GSI)

**OUR MISSION** Global Serve International is committed to the work of the Great Commission in the most challenging regions, no matter the cost, through cross-cultural church planting, making disciples, and the translation of God's Word among people groups who currently have no access to the Gospel.

### WHY GSI?

- 1. SENDING CHURCH DRIVEN**  
GSI exists to serve the sending church, not to usurp her biblical responsibility to fulfill the Great Commission.
- 2. UNREACHED PEOPLE GROUPS**  
Our workers serve people groups and languages where no known churches exist.
- 3. CLOSED COUNTRIES**  
We specialize in and exclusively send workers to those countries closed to religious visas.
- 4. LONG-TERM MENTALITY**  
Because GSI's goal is to establish mature indigenous churches, workers must expect to live among the people for 12+ years.
- 5. LANGUAGE LEARNING**  
All GSI workers will reach a high level of proficiency in the mother tongue of the people group so that the workers can effectively communicate at a worldview level.

“

While in training to become a civil engineer, the Lord began to grip my heart for work-ing among unreached people groups without access to the Gospel. I met a GSI repre-sentative who showed me how I could use my education and skills to plant churches among unreached people groups in closed countries, where traditional missionaries can't go. I immediately knew it was the organization we wanted to be with.

We now live in SE Asia, where we are studying the language and culture to reach the level we need to be able to teach God's Word to the people here and also preparing to start a business. GSI has walked alongside us and our sending church, giving us everything we need and ensuring the greatest chance of success in this incredibly difficult task. We are so excited to see the way God is going to use us to proclaim His name in places that have been cut off from the Gospel of Jesus Christ for centuries!"

- **INTERNSHIP** Internships: GSI offers internships from 3 months to 1 year to support our work planting churches among the unreached. We have opportunities in the areas of Research & Development, Social Media, and Graphic Design.
- **LONG-TERM** GSI's ministry goals mean that workers will need to commit to long-term service overseas. Most of our teams serve between 12 and 20 years before seeing a mature indigenous church established among an un-reached people group.

## LAUNCH GLOBAL

**OUR MISSION** Launch Global exists to awaken believers to discover God's will, develop as multiplying disciples, and deploy to strategic opportunities to impact unreached peoples. We live out this mission by training the globally called within diaspora communities while accelerating the local church to accomplish its discipleship and sending goals.

**WEBSITE** LAUNCHGLOBAL.ORG

**INFO@LAUNCHGLOBAL.ORG**

## WHY LAUNCH GLOBAL?

- 1. TEAM-STYLE PREPARATION AND TRAINING**  
Our training participants experience some of the realities of life on a team before actually going overseas. 70% of all overseas workers will come home for preventable reasons - we aim to fix that! While living in close proximity to each other AND neighboring muslims, hindus, buddist, etc... participants experience regular gospel-sharing, meals together, corporate prayer times, and two weekend conferences. Training is done in community as a part of a local church.
- 2. THE MATCH.COM OF THE MISSIONS WORLD**  
We're passionate about connecting goers to agencies and specific teams around the world who are healthy, effective, and a great fit for each individual! Every believer is unique, and so we work with dozens of agencies, researching teams in country to find the best team match for the future goer.
- 3. FROM THE LOCAL CHURCH TO THE LEAST REACHED**  
We believe in working through the local church to see laborers sent to the least reached. It was out of the church of Antioch that the first workers were sent. By providing training within the framework of the local church, we seek to send people who are connected to a local church body throughout their time overseas!
- 4. MULTIPLYING CHURCHES**  
With several billion people still living without access to the good news of Jesus Christ, we believe in training and praying for multiplying churches that are indigenously led and biblically sound. We long to see whole communities holistically transformed by the gospel of the Kingdom through disciples making disciples.

“After a long search that included attending missions conferences and meeting with missions agencies, I had a difficult time finding the right fit. I had heard about Launch Global and instantly realized that it would help prepare me in ways I felt ill-equipped. More than anything, Launch Global has revealed to me the importance of taking the good news of the gospel to the least reached portions of the world. The real life application and tools that I learned in the US while sharing the gospel with people of different cultures has been instrumental on the field.

During my nine month training community I was shown the balance of life and ministry. I was trained in areas I hadn't even completely thought through like support raising, culture shock, team conflict, and many other aspects of going overseas. Launch Global walked alongside me in searching for the right missions agency that had the same visions that God has placed on my heart.

## TRAINING

- **TEN WEEK TRAINING** We offer a ten-week training program in the U.S. for people who want to grow as cross-cultural disciple-makers. Participants are placed in Missional Communities where they will grow in prayer, discipleship, evangelism, and spiritual disciplines.
- **NINE MONTH TRAINING** Launch Global offers a nine-month residential training where participants will be placed in a diaspora-based “launch community”. Launch Communities prepare future goers to engage in cross-cultural ministry and prepare for life overseas (all while allowing them to keep a job or finish their last year of college). This program offers hands training aimed at making sure future goers succeed overseas! 75% of all Goers come home permanently after their first term. Those who participate in a 9-month group are 3x more likely to return overseas after their first term!

## MTW

**OUR MISSION** Making disciples among all nations: We are called to be obedient to the Great Commission by teaching people to follow Jesus as Lord and Savior, to be baptized, and to obey all that Jesus commands. We want the gospel to spread throughout the world, the Church to grow, Satan's kingdom to be destroyed, and Christ's reign to extend to the ends of the earth.

## WHY MTW?

### 1. CHURCH-CENTERED

The Church is God's primary means of gathering people to Himself. So, planting healthy, theologically robust, church-planting churches around the world is central to MTW's ministry philosophy.

### 2. MERCY & JUSTICE

God's people are called to preach the gospel with words, but also demonstrate it with deeds: to bring peace, beauty, and healing to our communities, fight for justice for the oppressed, and put together the pieces of our broken world. Working with and through local churches, MTW missionaries are helping renew communities with the hope of the gospel and serving as signposts for the day when Christ will make all things new.

### 3. REFORMED

MTW's ministries are guided, inspired, and shaped by our Reformed and covenantal theology. Our community life and ministries are shaped by God's grace to us in His Son, Jesus Christ.

### 4. TEAMWORK & CARE

MTW is committed to deploying missionaries in teams, in healthy communities of grace, and in partnership with local believers whenever possible. We value working with and empowering local Christian leaders and the local church, and emphasize mentorship, care, and holistic spiritual, professional, and personal development for all our missionaries and interns.

“ It will be challenging, it will be hard, it will be exhausting—but [as an MTW intern] you are part of something bigger than yourself ... And you will witness the work of His hands through your labor in the lives of the people you meet and serve and grow to love. ”

## OMF INTERNATIONAL

**OUR MISSION** Over 150 years ago, James Hudson Taylor walked along Brighton Beach, wrestling with God, pleading for lost souls in China. In 1865, Taylor began planting biblical church movements across East Asia. Today OMF reaches beyond the shores of England, spreading across East Asia and into the United States. Our goal is to share the good news of Christ in all its fullness with East Asia's peoples to the glory of God.

### WHY OMF?

- 1. LOVE FOR EAST ASIA**  
OMF has over 150 years of experience serving the people of East Asia. That means we have the skills and passion to serve in a contextualized way, with sensitivity and care for the cultures we enter into.
- 2. HEART FOR UNREACHED PEOPLE**  
Today, millions of East Asians are completely unaware of how deeply God loves them. And many lack access to a single church or Bible. We're willing to do whatever it takes to change this. That includes sending workers to least-reached areas to share the hope of Christ.
- 3. DEPENDENCE ON PRAYER**  
Like our founder, James Hudson Taylor, we recognize that the work of missions depends on the movement of God's Spirit. That's why OMF is committed to prayer at each step of our work: from coaching potential missionaries to investing in local churches on the mission field.
- 4. MAKING DISCIPLES**  
To make mature, biblical disciples, we have to send out grounded, Christ-centered women and men. OMF is passionate about walking with people, both missionaries and local East Asian believers, to see them become more like Jesus.
- 5. PRIORITIZING PARTNERSHIPS**  
OMF believes missions is best done in community. We partner with other mission organizations, as well as local Asian churches, as we seek to make Christ known.

“ During my Serve Asia trip, I got to do so many incredible things: lead a bible study in a village, befriend students, and try some crazy foods!

God taught me many lessons including humility, teamwork, and the beautiful diversity that is God's church. But, the main lesson my short-term trip with OMF taught me is living a life of discipleship.

When Jesus called his first disciples, he did not necessarily call them to a classroom, to give sermons, or even to a church service. He called them to a life on mission by making disciples. Upon returning from my trip, I truly believe that missions does not stop; whether going, sending, praying, or mobilizing my peers.

As my internship came to an end, I was invited to join the school staff and use my degree in music. I never imagined that God would use my skills and training this way!

In 2 short years, I watched a nonexistent music program spring to life with over 400 students playing rhythmic instruments and belting their hearts out. God is transforming the world through education!

Career missionary salaries vary depending on location and come with great benefits provided by their support funds."
- 5. IN-HOUSE TRAINING**  
TWR provides all the tools, resources and mentoring you'll need to raise funds and to have an effective ministry.

“ In the last 2 months, I’ve probably learned the most, lived the most, and seen the most change in my life than I ever have.

My internship at TWR and the relationships I made with the other interns will be something I will always look back on as one of the most influential points in my life, both personally and professionally.

Wherever I’m led now, I know it will be because of what I experienced this summer, and I’m looking forward to my future with more enthusiasm and excitement than ever before.

# World Team

## WORLD TEAM

**OUR MISSION** World Team's mission is to glorify God by working together to establish reproducing churches focusing on the unreached peoples of the world. Our innovative teams multiply disciples and communities of believers, bringing the gospel within reach of lost people everywhere we go. Our teams use diverse, God-given skills to share the love of Christ and disciple new believers, preparing them to inspire gospel movements among their friends and neighbors.

## WHY WORLD TEAM?

### 1. FOCUS ON THE UNREACHED

We are passionate about going where Christ has not been preached, which is why we focus on areas and groups of people that have less than 2% evangelical believers. This focus on unreached people groups translates into various contexts of ministry – such as reaching out to tribes living in the Amazon, Muslims in Indonesia, or secularized people in France.

### 2. HOLISTIC CHURCH PLANTING

The gospel must be applied to the whole person, addressing physical, spiritual, and social needs. Our church planting teams develop unique ministries tailored to the specific needs of the people they serve.

### 3. TEAMWORK

We work in teams because living and serving in community is the best gospel witness to a watching world. Teams with a diverse collection

of gifts and experiences are better equipped to endure and thrive among the challenges of cross-cultural ministry.

### 4. INCARNATIONAL MINISTRY

Most of our workers serve long-term, investing the time needed to learn language, culture, and build relationships. Our model is Christ, who emptied himself of the privileges and powers of divinity in order to carry out his mission.

### 5. FACILITATIVE MINDSET

We aim to prepare our successors for success in all that we do. Churches multiply when we draw out the gifts and talents of those whom we're discipling so that they are equipped to carry out the ministry on their own.

“My internship to Cambodia with World Team was vital in God’s plan to reveal to me the calling he has placed on my life.

During this internship I saw how God brings light into the darkest of places and how He utilizes His people to bring Hope to the hopeless. God used this internship to show me specifically how he has gifted me with traits and experiences that have equipped me for cross cultural ministry.

I’m so thankful I said yes to the opportunity to Worship God through going to the nations in a short-term sense at first, but now moving into the long term commitment of full-time cross cultural ministry.”

### WAYS TO SERVE

- **SHORT-TERM** Even though the focus of our mission is long-term, we also offer short-term experiences, particularly during the summer. These mission trips may last 1 to 3 weeks and are designed to give participants exposure to cross-cultural life and ministry as they invest in areas like intercessory prayer, youth ministry, and evangelism.
- **INTERNSHIP** Explore your calling while serving on an internship and gain experience in cross-cultural life and ministry. Learn from and be mentored by veteran workers as you join them in the Mission of God. The time frame for these internships is typically 6 to 8 weeks and can be arranged in countries as diverse as Cambodia, Cameroon, and Spain.
- **LONG-TERM** Our heart is for people to commit long-term because a fruitful ministry in the area of church planting usually takes a long-term commitment. Join one of our teams making disciples, transforming communities, and reaching the unreached. Put your experience, education, and skills to work on a church planting team.

# THE GO FUND

## THE PROBLEM: STUDENT DEBT STOPS MISSIONARIES

### DEGREES ARE KEY

60% of the unreached live in countries that are closed to missionaries but are open to college graduates.

### DEBT IS REAL

Real tuition costs have grown 2-3x since 1990.\* Today, 56% of graduates have \$28,800 in student debt.

### MISSIONARIES ARE STUCK

Most missions sending agencies have a student debt limit of \$20k for aspiring missionaries.

## OUR SOLUTION:

**THE GO FUND** exists to help long-term, qualified missionaries get to the mission field by paying their student debt.

## YOUR ROLE:

At The Go Fund, we believe you have two options. You go or you send. For many of us, we send. A Ropeholder is a monthly financial supporter who helps send by eliminating the barrier of student debt for missionaries working among the unreached.

When you become a Ropeholder, you join a community of people passionate about sending more missionaries to the hardest to reach places in the world with the gospel.

# 101 WAYS

TO IMPACT THE WORLD

# IS THERE MORE TO MISSIONS THAN GOING?

When it comes to missions, our lens is often too narrow. We limit playing a role in God's mission to going overseas, when that is simply one way to see the world reached. The Traveling Team has created a resource called 101 Ways to Impact the World. This resource will give you practical ways on how to engage in God's global mission.

**YOUR ROLE MAY NOT INVOLVE A CROSS-CULTURAL MOVE, BUT IT WILL ALWAYS INVOLVE A CROSS-CARRYING SACRIFICE.**

# WORLD VISION ILLUSTRATION

The World Vision Illustration is a tool designed to help you pass world vision on to others. It's super easy to learn, and once you master it, you will be able to show others their need to have a heart for the world and then give them practical ways of growing.

We have created a step-by-step guide on how to share the illustration with another student or friend. We'll be using the language of "student" in the instructions, but this illustration can be shared with anyone from your younger siblings to your grandparents.

**IT IS DESIGNED TO WORK BEST IN A CASUAL ONE-ON-ONE SETTING OR WITH A SMALL GROUP WHERE YOU HAVE ABOUT 20-30 MINUTES TO EXPLAIN THE ILLUSTRATION.**

The goal is that once the student sees his or her need to grow, they will start taking practical steps to grow by praying for the world, giving, welcoming, going, and mobilizing others.

**READ THROUGH THIS GUIDE, PRACTICE THE ILLUSTRATION, AND THEN START SHARING!**

# 1

## CHRISTIAN & WORLD CHRISTIAN

**TURN YOUR PAPER LANDSCAPE (HORIZONTAL)** and write “World Vision Illustration” at the top center.

**DRAW TWO STICK FIGURES**—the stick figure on the top left of the page will be labeled “Christian,” while the other figure on the top center will be labeled “World Christian.”

**ONCE THESE TWO STICK FIGURES HAVE BEEN DRAWN** take some time to describe the similarities and differences between the two.

For example, for similarities, say that “both are believers of Jesus, both are saved, both read their Bible, etc.” However, for differences, say that “the World Christian is going to have a different perspective in 3 specific areas: God’s Word, God’s World, and God’s Work.”

CHRISTIAN

WORLD CHRISTIAN

# 2 DIFFERENCE OF PERSPECTIVE

The goal of this section is for the student to see that a Christian is not more or less holy than a World Christian. They just have a different perspective, specifically on 3 areas: **God's Word, God's World, and God's Work**

**WRITE "GOD'S WORD," "GOD'S WORLD," AND "GOD'S WORK"** directly below the World Christian figure, leaving about an inch of space between each (see illustration).

Steps 3, 4, and 5 have the majority of the content within the illustration, so you have to be careful not to get bogged down. Gauge how much information the student(s) need in these areas.

Remember, if you are talking with a very interested student, there is always the opportunity to walk through more content outside of this specific illustration.

**GOD'S WORK**

# 3

## GOD'S WORD

The goal of this step is to show the student that the main reason a World Christian has a heart for the world is because God Himself has a heart for the world all through Scripture.

**Ask, “Do you know any verses about God’s heart for the world?”** If they give any, keep asking them to give more until they run out. After their list, walk them through the verses below to help summarize the theme of missions that runs throughout the Bible, from Genesis to Revelation.

**WRITE THESE 3 VERSES NEXT TO “GOD’S WORD”** and then write the summary statement “God’s heart for the world” to the right of these verses.

Genesis 12:1-3, Matthew 28:19-20, Revelation 7:9

It may be helpful to point out that these verses are spread throughout Scripture. This will help reiterate the idea that God’s heart for all nations is a major theme throughout the whole Bible.

**POSSIBLE VERSES TO EXPLORE:** Genesis 1:28, 9:1, 11:1-8, 12:1-4, 26:4, 28:14; Deut. 4:5-6; Joshua 2:9-10; 1 Kings 4:34; Matthew 24:14; Mark 16:15; Acts 1:8; Revelation 5:9

To transition to the next step say, “If God has a heart for the world all throughout the Bible, then we should know what the world looks like.”

CHRISTIAN

# 4

## GOD'S WORLD

The goal of this step is to show the student that a World Christian sees the world differently.

**DRAW A LARGE RECTANGLE** to the right of “God’s World” and have the student label the rectangle “10/40 window” above the box.

**ASK, “ARE YOU FAMILIAR WITH THE 10/40 WINDOW?”** If the student isn’t familiar, that’s okay because that’s what this time is for! Explain to the student that the 10/40 window stretches from 10 degrees north latitude (above the equator) to 40 degrees north latitude. This area covers West Africa through the Middle East, India, Southeast Asia, China, and Japan.

**TRY TO POINT OUT A FEW STATISTICS** about the 10/40 window to drive home the incredible urgency we should have about this area of the world.

In the 10/40 window there are:

- 5 Billion total people
- 3 Billion Unreached People
- Those 3 Billion make up 97% of all the Unreached People in the world
- Only 4% of long-term, cross-cultural missionaries serve there

For more information on the 10/40 Window, Unreached People Groups, and the task remaining, visit [www.thetravelingteam.org/stats](http://www.thetravelingteam.org/stats)

**FOR THE ILLUSTRATION, HAVE THE STUDENT WRITE OUT THE FOLLOWING TWO STATISTICS:** inside the box: “97% of the Unreached” on the top and “4% of missionaries” on the bottom. These statistics are two of the most striking, especially when placed together.

GOD'S WORK

# WHY DOES THE 10/40 WINDOW EXIST?

**ASK, “WHY DO YOU THINK THAT ONLY 4% OF MISSIONARIES DECIDE TO GO THERE?”** They will typically give answers revolving around language, culture, safety, and restricted access. Affirm them in their answers telling them that being a long-term missionary in this part of the world is definitely difficult and maybe even dangerous.

**THEN ASK, “WHY DO YOU THINK THAT THOSE 4% OF WORKERS DECIDED TO GO ANYWAY?”** They will typically give answers revolving around a call. Affirm the student in that, but help them see that being called to be a missionary is often less mysterious than we think and usually starts with simply seeing Scripture says that we all have a part to play in getting the Gospel to this part of the world. End with saying that these 4% saw the need to go and that God was worth it—no matter the risks or the costs.

**TO TRANSITION TO THE NEXT STEP SAY,** “If this is what God’s Word says and this is what the world looks like, then what should we do about it? Now, let’s talk about how we can get involved in God’s Work.”

# 5

## GOD'S WORK

The goal of this section is for the student to walk away with practical steps to live out the World Christian lifestyle.

Help explain the various habits of a World Christian.

**TO THE RIGHT OF "GOD'S WORK"** write out "GO," and then next to it write "HERE" and "THERE."

**BELOW ALL THAT, WRITE "SEND,"** and then write "PRAY" and "GIVE" next to it (see illustration on next page).

There are a lot of ways to challenge students when it comes to these 4 habits of being a World Christian. We have found it to be a best practice to explain each of the habits in simple terms (see our explanation of each on the next page), and then give one or two practical next steps related to that habit. Personal examples are always the best!

For more information on going and sending, visit [www.thetravelingteam.org/go-send](http://www.thetravelingteam.org/go-send)

**TO TRANSITION TO THE NEXT STEP SAY,** "So the World Christian understands God's Word, God's World, and God's Work, but what about the Christian?"

## GO HERE

As a World Christian, we should notice that the nations are right here in our backyard! We have people from the 10/40 window sitting next to us in classes, at coffee shops, or at work. God has brought unreached people to the U.S. so that we can befriend them and share the good news with them! It would be criminal for us to not take advantage of this. Challenge the student to make one more friend! Scripture says that we all have a part to play in getting the Gospel to this part of the world. End with saying that these 4% saw the need and saw that God was worth whatever difficulties they would face.

## GO THERE

As a World Christian, we should know that the unreached will not be reached unless people actually go to them to share the good news. Challenge the student to get connected with an organization or mission agency that could send them on a summer trip to get face to face with the unreached. If they don't know where to start, tell them about [missionagency.org](http://missionagency.org) or show them some of the opportunities in this booklet!

## SEND BY PRAYING

As a World Christian, we should desire to pray for the things that are closest to God's heart. Jesus says in Luke 10:2 to "...pray earnestly to the Lord of the harvest to send out workers into his harvest." Challenge the student to set an alarm for 10:02AM every day to pray for workers. Also challenge the student to download the "Unreached of the Day" app for free on their phone.

## SEND BY GIVING

As a World Christian, we should desire to give financially to those who are going to take the Gospel to those who have never heard. Challenge the student that if they do not begin a habit of sacrificial giving now when they don't have money, then it will not get any easier for them we they do start to make money. In every season of life there will be excuses. Challenge the student to give up something once or twice a week in order to set that money aside for missionaries. An \$8 meal at a restaurant given up weekly is about \$40/month that they could give.

# 6

## GROWTH AS A WORLD CHRISTIAN

The goal of this section is for the student to take an inward look at themselves to see that they have room to grow as a World Christian.

**DRAW A HORIZONTAL LINE** from the “Christian” figure to the “World Christian” figure. Once the line is drawn, explain to the student that the line is a growth spectrum. The far left on this line represents someone who doesn’t know anything about God’s Word, God’s World, and God’s Work, but the far

right represents someone who is living out God’s Word, God’s World, and God’s Work on a daily basis.

Give the student time to think about this and put a mark on the line where they are on the growth spectrum.

Explain to the student that everyone has room to grow when it comes to being a World Christian. Nobody wakes up as a World Christian—it’s a lifelong process of aligning our hearts with God’s. Encourage them to take steps by praying, giving, welcoming, and going to the unreached.

**TO TRANSITION TO THE NEXT STEP SAY,** “Now I want to show you the most important part of the illustration. You see, a Christian doesn’t become a World Christian all on their own. There is a third person who makes it all happen—a Mobilizer.”

GOD'S WORD      GEN 12:1-3

                                                          THERE  
                          SEND      < PRAY  
                                                          GIVE

# 7 THE MOBILIZER

The goal of this step is for the student to see that Mobilizers are crucial to seeing the Great Commission fulfilled and that they can start mobilizing people today.

**DRAW THE THIRD STICK FIGURE** on the top right of the page and label it, “Mobilizer.”

**ASK, “DO YOU KNOW WHAT THE DEFINITION OF A MOBILIZER IS?”** Give them time to answer and tell them that a mobilizer is basically someone who gets other people involved.

Explain that the reason a Christian became a World Christian was because a Mobilizer sat down with them and helped them grow. The Mobilizer taught the Christian about God’s heart for the world in his Word, the state of the World, and the ways to get involved in the Work.

## MULTIPLICATION EFFECT

The goal of this step is to help the student see the power of multiplication.

**DRAW AN ARCHED ARROW** from the Mobilizer across the top of the page to the Christian. This represents that the act of a mobilizer getting their Christian friends involved in God's mission.

**HAVE THEM DRAW AN ARROW** from Christian to World Christian. Explain that the Mobilizer is helping the Christian become a World Christian by helping them understand God's Word, God's World, and God's Work.

When a Christian becomes a World Christian that is plus one (+1) for the team, and that's awesome! That's one more person who sees the theme throughout God's Word, who sees the need in the World, and desires to be involved in the Work.

**DRAW +1 ABOVE THE WORLD CHRISTIAN'S HEAD.** Explain that though addition is awesome, the needs of the world are so great that we have to have something more—we need MULTIPLICATION!

Cast vision to the student, telling them that we don't only want them to become World Christians, but we also want them to become Mobilizers so we can help get as many people as possible involved.

**DRAW AN ARROW FROM THE WORLD CHRISTIAN TO THE MOBILIZER,** and then draw x10 above the Mobilizer's head. Explain that when a World Christian also becomes a Mobilizer, that is not just plus one (+1) but this becomes a multiplication effect of times ten (x10), times twenty (x20), and more! This is how movements start!

## MOBILIZE YOUR FRIENDS

**THE FINAL CHALLENGE** is to have the student write the names of two people in their lives that they could share this World Vision Illustration with. It could be a friend, roommate, or family member.

**AFTER THEY WRITE DOWN A COUPLE OF NAMES**, finish your time by helping them process through some specific individual steps to take and pray together.

**CONGRATULATIONS! YOU ARE NOW EQUIPPED TO MOBILIZE OTHERS TO BECOME WORLD CHRISTIANS AND MOBILIZERS!**
