

June 17-19, 2016

**SPORTSMANSHIP & SPIRIT AWARD**

The Andrew Lawrence Sportsmanship & Spirit Award is the highest honor a program can earn while at DX events. Directors and Judges select the program that exhibits the best attitude, cooperativeness, and congeniality during the event. This year's recipient is:

**Tempo Dance Studio**

**JOHN KUBINSKI'S BEST-OF-THE-BEST**

The routine with the highest score of the day takes home the John Kubinski Best-of-the-Best title. Lisa Saline, DX President, admired her father very much. He passed away in March of 2012. To honor her father, she established this award based on all her father taught her during her lifetime. John always demanded that Lisa do her best with anything she tried. It was his strong belief and high expectations that helped Lisa become the woman she is today. Congratulations to this year's recipients:

### **JUDGES CHOICE**

*"Judging art, creativity, and dance is innately an emotional and personal choice - yet as judges we are asked to remove all personal thought and preference from our scores and base our decision solely on the score sheet criteria. DX has given us an incredible opportunity as judges to finally recognize the pieces we connect with personally. This award is much more meaningful to me than any I have had the pleasure to give out in all my years as a dance judge and I look forward to every DX event because of it."*

— Cheetah Platt, Judge
