## Praise for Defender & Hunter

"When we served in the Paratroopers together, Chris Allen was always a natural entertainer and a gifted storyteller, equal parts Ian Fleming and Robert Ludlum. His Alex Morgan novels are a thrill a minute, and the aftertaste of blood and gunmetal makes it clear these books are written by a real soldier. DEFENDER is a must-read for literary action /adventure addicts, and I cannot wait for the release of HUNTER."

- Bradley Trevor Greive, New York Times Best-Selling Author

"It's hard to decide what aspect of author Chris Allen and his book is more noteworthy. It's a military thriller with a cracking pace in the James Phelan or Matthew Reilly vein, except that as a former soldier himself, Allen lived the life of his fictional hero Alex Morgan." – The West Australian

"The sequel HUNTER: Intrepid 2 is available in December 2012 and I, for one, can't wait. Intrepid 1 gets 4.5 stars from me." - OzNoir
