Profile

Lisa Klaber, PTA, ATC has been working in outpatient orthopedic physical therapy since 1992. She has been with Illinois Bone & Joint Institute since March 2012 and has been working in the Buffalo Grove facility since May 2014.

Lisa enjoys treating orthopedic and sports-related conditions with concentration in knee and shoulder disorders. She also enjoys treating the “aging athlete”.

As a competitive high school gymnast, Lisa has sustained many orthopedic injuries which required surgery and/or physical therapy, therefore, giving her the understanding and empathy when treating patients.
