

# Linda Lai, MS, OTR/L

Occupational Therapist

## Profile

Linda Lai MS, OTR/L has been practicing occupational therapy since 2014. Her primary focus is on hand, elbow, and shoulder rehabilitation. She has experience treating patients of all ages. Linda enjoys fabricating customized orthosis for patients with varying upper extremity injuries. She believes that each patient is unique and uses a holistic approach to help her patients regain function, independence, and quality of life.

On her free time, Linda enjoys traveling, trying new foods, and spending time with friends and family.
