Profile

Tanja Popovich, MOT, OTR/L, CHT, has been practicing in outpatient orthopedics since 2004. She was born and raised in the Chicagoland area. She works part-time in our Morton Grove clinic and helps cover at the Des Plaines IBJI facility.

Tanja has treated a wide variety of upper extremity diagnoses including traumatic injuries, post-operative conditions and repetitive sprain/strain injuries. She is skilled at custom orthosis and functional cast fabrication. Tanja achieved her CHT in 2009 and is certified in both Graston and Kinesiotaping techniques.

Tanja enjoys spending her time with her family whether relaxing at home, exploring the city or vacationing.
