## Profile

Roberta Kamen, OTR/L, CHT has been practicing in orthopedics for 30 years with Illinois Bone & Joint Institute since 2012. She sees patients at the Buffalo Grove and Bannockburn locations.

Roberta enjoys treating any hand and upper extremity condition. Her treatment blends treatment modalities such as exercise, manual therapy, custom splinting and functional activities to help the patient return to their highest level of independence or function.

## Education

- B.S. in Occupational Therapy, University of Illinois

## Certifications

- Certified Hand Therapist
