Profile

Mike Losch, PT has been practicing physical therapy in the outpatient orthopedic setting for over 15 years. As Regional Manager, he travels between clinics, but predominately works in our Grayslake location. Mike has been with Illinois Bone & Joint Institute for over eight years, and has worked with many of the company's doctors for some time.

Mike is skilled in treating a wide variety of injuries and conditions. Although he sees a majority of shoulders, Mike has rehabbed work related injuries, has given presentations on return to sport knee injuries, and has a long history of working with post-operative conditions. He believes in the collaborative care model with open communication between therapist and MD. Mike is very patient focused, and feels that nearly every patient benefits from a "hands on" approach. He has attended multiple continuing education classes to make sure that he is well versed in treating a multitude of joints and ailments.

Originally from Gurnee, Mike is very familiar with Lake County. He has personal connections within many of the communities in the schools and local businesses. When he is not working, he enjoys spending time with his family, and trying to get in the occasional round of golf.
