Profile

Maris Witry had been an aide at the Morton Grove facility since 2013 and just recently came on board as a licensed Physical Therapist Assistant. She is excited to work with an amazing team and eager patients. Maris enjoys treating a wide variety of diagnoses and is dedicated to improving the function of each patient that she treats with the most effective and appropriate treatments. Maris is looking forward to finding her niche at Morton Grove and getting involved with different programs.

Maris enjoys cooking, spending time outdoors with family and friends, and traveling.

Education

- Associate in Applied Science, Physical Therapist Assistant, Oakton Community College
- BS, Kinesiology, University of Illinois at Urbana-Champaign
