## Profile

Kimberly Fellows, PT, DPT, COMT has been practicing in orthopedics since 2002. She joined the Gurnee Illinois Bone and Joint team in 2006 and transferred to the Lindenhurst facility upon its opening in 2012. She is the facility manager at the Lindenhurst location.

Kimberly implemented the Work Conditioning and Functional Capacity Evaluation programs at both the Gurnee and Lindenhurst locations. Kimberly is a Certified Orthopedic Manual Therapist and is an active member of IBJI's manual therapy special interest group.

Kimberly embraces the collaborative care model between the physician and rehabilitation divisions of IBJI. She enjoys treating a wide variety of orthopedic conditions with the goal of returning each individual to their desired level of function. Kimberly's specialization in manual therapy, work conditioning, and functional capacity evaluations are instrumental in returning individual's back to their daily activities, athletes back to play, and injured worker's back to work.

Kimberly enjoys spending time with her husband and two children. Her favorite activities include watching her children's gymnastics, tae kwon do, and four wheeler adventures.
