Profile

Colin Penn, PT, DPT, is a recent physical therapy school graduate from Bradley University who has begun his career at IBJI. Originally from Peoria, IL, Colin recently moved to Chicago in September 2016 and works at the Des Plaines Illinois Bone & Joint Institute location.

Colin enjoys treating a wide variety of diagnoses, with a specific interest in sports medicine and is dedicated to using the most effective and appropriate treatments to facilitate a full recovery. Colin believes in exercise based interventions used in concert with manual treatments. Colin plans to pursue certifications in both strength and conditioning as well as sports physical therapy.

Colin's undergraduate background in Exercise Science where he spent time with athlete training, sports enhancement, and strength and conditioning drives his passion for exercise, as well as athletics. Colin enjoys spending time exploring the city with his friends and sampling the varied cuisine around his Wicker Park apartment.

Education

- BS, Exercise Science, Illinois State University
- Doctorate in Physical Therapy, Bradley University
