We would be pleased to have each Lodge send at least one student to the Congress. Students should be high school students with strong academic skills. Each student will need a Parental Consent form found on the Michigan Moose website. The Lodge must submit a fee of \$25 for each student they send. Please make sure to get a Lodge check made out to MMA with Youth Awareness in the memo.

For the morning Congresses, the host Lodge should provide breakfast snacks for students as they arrive and a light lunch at noon. Registration will begin at 10:00 AM and the Congress will begin at 10:30. It would be very beneficial if each Lodge would supply a speaker (lawyer, police officer, educator, etc.) for a 10 minute or so talk. We will finish by 2:00 PM

Our Youth Awareness program is very expensive. Last year the cost for scholarships, student incentives, T-shirts, and 2 students to the International Congress was over \$4900! We need your help. Please bring checks the the Convention made out to MMA with Youth Awareness in the memo.
