

Used LockBox Resale Agreement

The Clarksville Association of REALTORS® (CAR) is pleased to accept your SentiLock box and facilitate resale based on the following criteria:

- CAR will only resell SentiLock Generation II, NXT, or NXT Wireless lockboxes. We will not accept any Generation I lockboxes.

Generation II Lockboxes are the “old” silver boxes.

NXT Lockboxes are the original blue boxes that do not have a Wireless sticker or stamp.

NXT Wireless Lockboxes are blue boxes that have either a Wireless sticker stamp.

- The lockbox is currently in the CAR SentiLock management system through an Active or Inactive member.
- The lockbox is in good working condition with little to no visible defects.
- The lockbox has been cleaned of surface dirt, paint, marker, or other markings.
- CAR will charge the consignor 15% of the final sale amount of the lockbox + \$5.00 battery replacement fee.
- Generation II lockboxes will be sold for \$50.00, NXT and NXT Wireless for \$75.00.
- CAR will rotate all lockboxes onto the shelf in the order they were accepted into inventory.
- The lockboxes will be sold anonymously and the names of the seller and buyer will not be disclosed to either party.
- If after being available for sale on the shelf for 30 days the lockbox has not sold, CAR will reduce the price by 10%. After another 30 days, another 10% discount will be taken for a total of 20%.
- If after being available for sale at the discounted price for 60 days the lockbox has not sold, the lockbox will be returned to the consignor.
- CAR will report on sales and generate payments to the consignor after the close of each calendar month, no later than the 15th.
- CAR will not be responsible for any additional warranties, repairs, cleaning or service on any consigned lockboxes.

I have read this resale agreement and agree to all terms.
