SERIES DESCRIPTION

UNITED: REMIX // OUR CHURCH. OUR CAUSE

On January 16, 2011, The Summit Church gathered for the very first time in a living room in downtown Denver. It's hard to believe that we're turning 4 this month, and to commemorate the occasion, we'll spend time celebrating, reflecting on the values that make us who we are, and dreaming about where God is taking our church in the future.

GET INVOLVED

CITY GROUPS

These small gatherings meet every other week in the homes of different Summit members to share a meal while learning how to obey the gospel, live in community, and engage in mission. Visit www.summitdenver.org/citygroups or the City Group map in our lobby to learn how you can get connected to a City Group tonight.

GIVING

The Summit relies heavily on your support to accomplish its mission to Denver and the world. Please consider visiting summitdenver.org/give to set up an account and begin giving financially to our church. Cash or checks can also be placed in the metal boxes as you leave the Worship Space, and all financial contributions are tax-deductible.

MEET WITH A LEADER

Our leaders would love the opportunity to get to know you better, hear your story, and answer and questions you may have about our Summit family. If you're interested in learning more or meeting with a leader, feel free to email Andy Metzger (andy@summitdenver.org) to set up a meeting, and we'll gladly treat you to coffee or lunch.
