

CANDIDATE INFORMATION FORM

NAME: John Athas

PERSONAL BACKGROUND

Teresa & I grew up in NYC. After my Engineering degree we settled in CT. I also earned an MS & MBA at night. I provide expert testimony on various electric utility industry issues for clients in the US & Canada. We moved to SV in 2020, just before our daughter had her daughter (KI). Our son had our first granddaughter 6 months earlier, now living in Boise, Id w/2 daughters. The SV community/people are what we hoped to find when for retirement.

SIMILAR OR RELEVANT EXPERIENCES

I have served in management positions since 1987. While at Northeast Utilities (19 yrs) I led strategic planning then left for consulting (24 yrs), at my current firm, I served as VP & Treas for 14yrs, including serving on the Board of Trustees for 1 term. My career has almost entirely included analyzing situations and advising on how to make strong and unbiased decisions. I apply my collaborative nature to benefit my clients & my teams everyday.

VISION/EXPECTATIONS FOR SYMPHONY VILLAGE

I have been impressed with the true sense of community at SV. The foundation of a strong base of volunteerism provides the lifeblood to SV. Our beautiful neighborhood, many activities, and facilities are a source of pride and joy to us everyday. My vision is to be part of the continued cultivation of these strengths, including careful investment in our community. This will help property values grow as people that see us bid to join the village.

LIST YOUR CONTRIBUTIONS TO SYMPHONY VILLAGE (i.e. - committees, events, volunteerism, etc.)

Since I continued to work full time, to be retiring Jan. '25, I have had limited ability to formally serve on committees.

I am often involved in helping on the day of events such as cleaning-up on most events.

Teresa & I did hotdogs on Memorial Day in '21 and '22,

Small parts on Soup Nights.

We are at most Social Hours, and other events.

I enjoyed providing patriotic music from my bike at our July 4th parade.
