

Enroll now for 2017-2018 at Christian Life Academy!

Enrollment for grades K-10 is open, now through March 15, with a reduced registration fee of \$50 for returning families

This non-refundable registration fee is in addition to your tuition payment, and is designated to help cover cost of programs such as AR, music, and electives.

We encourage families to register now to take advantage of the early discount. Registering now helps CLA to better plan for next year!

Enrollment for PreK is open now ONLY for returning students or families who are registering a PreK student along with one or more K-10 students.

New Family Registration fee: \$75. After March 15, regular registration fee is \$150 for a newly registered family.

New Tuition Prices and Payment Plan Amounts

As each new school year approaches, the CLA school board puts considerable thought into setting tuition rates for the upcoming year. So far, the board has been able to keep tuition rates one of the lowest for private schools in the area, and will continue to strive to that end. However, if we are to continue to meet increasing costs, improve our programs, and reward our teachers for their outstanding work, a tuition increase of approximately 1%-2% will be necessary again this year. We know that tuition payment can be a sacrifice for some families, so we pray that CLA will be an efficiently run, true Christian ministry that will reward your sacrifice by providing an opportunity for your children to grow in Christ each day.

We have outlined several ways to help families with their tuition expense:

- We encourage **participation in the CLA SCRIP program**. For more information, contact the school office. Multiple families have been able to take advantage of the rebates for tuition in the past.
- **Again, we will be offering a REFERRAL CREDIT**. If a new family enrolls at CLA referred by a current family, the current family will receive a \$100 tuition credit for their fall 2017 tuition!
- Scholarships, from small partial amounts, up to full tuition, are available via an application process.
