

Happy 4th of July! Join the Novato Horsemen's and ride in the Parade. I have one space left in my trailer and may have room for one in Gloria's trailer. It's a whole lot of fun. We have plenty of decorations for your horse so come dressed in traditional Red, White and Blue!

Dentistry clinic with Dr. Jim Meyers here July 5th – Call Sonoma Marin Vet to schedule your horse. 707-763-1222

We have two nice horses here whose owners would like to sponsor out. Both would do well with a novice rider, they are not for beginners. If you know of anyone please let me know.

Carla Bauchmueller will be here **July 15th and 16th** to present her Centered Riding Clinic once again. We value and support Carla's work; through her approach, many of us have become better riders by understanding what it means to ride balanced and centered. I highly recommend joining this clinic!

Cheers! Monte
