

DUBLIN SCHOOL SUMMER ASSIGNMENTS 2017 - 2018

Because we believe in the power of the habit of independent reading, the continual quest for knowledge, and the development of skill in reading and thinking, books are assigned by Dublin School over the summer. We hope the experience will be inspiring and fun, and we encourage families to share reading and discussion.

If you have any questions, please email Sarah Doenmez, Academic Dean, at sdoenmez@dublinschool.org or call 603-563-1296.

ENGLISH COURSES

There is an assignment for each English class. International students should read the book(s) for the grade of the English course (not ESL) they will be taking. Books will be discussed in English classes upon our return to school in September. We encourage parents to read this assignment as well. All students should read actively, taking notes in the margins and/or highlighting as they go, recording thoughts, reactions, and questions, and be ready to write on the assigned books in the first days of class in September. Students should bring their copies of all summer books to school in September. There are assignments for AP classes, as well, some of which are due on August 15.

We hope that all students will have the leisure to read books of their own choice purely for pleasure, as well!
