

BOX TOPS FOR EDUCATION

Dear Eastwood Family,

Thank you for supporting our school! With your clippings we made **\$1,080.00**. With that money, the school was able to get items that are not within the school budget. Such as, supplemental readers for 1st grade. Easels and TV carts for lower level. Science supplies for Upper level. Chairs, tables and teacher supplies for both Upper and Lower. As well as awards for Summer Reading and other competitions. This school year I would love to see Eastwood make a goal of \$2,000! Together we can make a difference! Keep clipping Box Tops!

We will be competing by grades again! Please, send your clippings in a baggie or envelope with the **Teacher's name and Grade**. We have designated boxes located just inside the Lower School entrances. For Upper, Please drop off with Mrs. Gabrielle Conoly.

Remember! Box Tops WILL NOT accept damaged clippings that are torn or expired.

Fall deadline is Wednesday, October 21st! So please send these in before then so I can send them in to get our school more money! Thank you for continuing to support Eastwood!

In Christ,

Tiffany Gimlich
Box Top Coordinator
