

The 2016-2017 school year is Mrs. Moua's second year teaching at TEAM. She was raised in Santa Clara, CA and has lived in Lathrop for the past 6 years. She married her high school sweetheart and they have 3 smart and energetic boys, Calvin, Kason and Konan and a beautiful daughter named Kenzie.

Mrs. Moua earned her B.A. in Social Work from California State University, Chico and is continuing to further her education at Teachers College of San Joaquin. She has worked previously with early childhood special education before joining TEAM.

She enjoys working with children and helping them reach for their dreams through their education. Mrs. Moua believes every child should be valued and treated with respect. Her goal is to instill a love for learning and to take each child from where he or she is now, to as far as he or she is able to go this year. An education should empower a child and help him or her make a positive contribution to their family and community.

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela
