NATHAN WEISBERG**

**Age:** 23

**Primary Gig:** History/Government Teacher

**One the side (what do you do in your “free” time):** I’ve published some short stories.

**Describe yourself in 10 words or less:** I’m a Jew who loves to teach!

**Where I will be/hope to be in 10 years:** Still teaching in Sacramento, but for a higher salary.

**What I love about growing up or living in Sacramento:** I like the community; I love how we manage to get along. How many Jewish communities can claim that the Conservative Rabbi and the Orthodox Rabbi once switched places to give *drashot* at each other’s synagogues?
