One the side (what do you do in your “free” time): Gym, hiking, volunteering in dentistry, and eating my way through Israel!

Describe yourself in 10 words or less: I am determined, spontaneous, energetic, and excited.

Celebrity Doppelganger/Who would play you in a movie: I’m not a big movie fan, but I have always wanted to host SNL or 60 Minutes.

What I love about growing up or living in Sacramento: Sacramento was a great place to grow up because it was a small, tight knit Jewish community. I also appreciated all of the outdoor activities available throughout the area, from water skiing during the summers at Folsom Lake, to riding the bike trails during the spring, there was never a shortage of things to do in close proximity.
