

Cox Summer Studio. Art Camp for Ages 7-12

Teresa Cox is a professional artist with a B.S. in Studio Arts: concentrations in painting and drawing. She has been teaching youth and adult art classes for over 25 years and has worked with the following organizations; Walker Art Center, MCAD (Minneapolis College of Art and Design), the Science Museum of Minnesota, the Minnesota Museum of American Art and COMPAS. Teresa guides her students to discover their unique artistic voice through fun, creative problem solving and the development of art skills and processes using a variety of fine art and non-traditional materials. She encourages her students to think broadly and critically about the process and ideas behind their work.

3 Art Camp Weeks

Me, Myselfie and Eye June 26-30, M-F

Age 7-12

During this first week of art camp we'll take a few cues from artists who are known for their portraits; Alice Neel, Chuck Close, Frida Kahlo and others. Students will use their biggest dreams as inspiration and develop ideas through photography, painting, drawing and c. We'll work both large and small scale combining observational and imaginary ideas. Students will create a unique collage photo portrait, a life size painted self portrait and a small sculptural person. Skill and technique focus; drawing, observation, movement, assemblage, color, enlarging, invention. Our week culminates in a celebratory mini-art show on Friday, June 30th.

Faboo Fashion July 10-14, M-F

Age 7-12

Design your own magnificent wearable artwork—haute couture for young designers! Students will work with specialty papers, leather scrap, cording, buttons, stamps, and paints to create their own paper vest or dress. We'll make one of a kind hats and a unique necklace or arm cuff. We will search and create new patterns and draw and collage these ideas. Focus is on 3-D design, visual rhythm, color, and texture. Our week will culminate in a fashion show of ready-to-wear art on Friday, July 14th.

3-D Space and Light July 31-August 4, M-F

Age 7-12

Explore color, dimension and light by creating luminous sculptural objects, standing wood sculpture and wall reliefs. Students will create an illuminated outer space shape with transparent papers using their own hand built 3-D form. We'll also look to artists Louise Nevelson and George Morrison for inspiration to construct assemblage wall pieces from wood. Students will create hanging wire planets and geometric shapes incorporating movement and light. Our focus will be on observation, discovery, drawing, color relationships, form, balance and 3-D problem solving. A mini-art show ends our week on Friday, August 4th.

Information

Full day Art Camp is held in my studio next to our home. Class sizes are kept to 7 students and allow for plenty of one on one attention. Each session runs Monday-Friday from 9 am-4 pm and includes lunch (students provide their own sack lunches) and breaks with light snacks and beverages (provided). Kids are also welcome to bring their own snacks. \$330 per student includes all art supplies.

Registration

Registration may be done through paypal or by mail with a check. Please call me [651-207-7948](tel:651-207-7948) or e-mail teresamcox@comcast.net to confirm availability. Full payment is due with registration. Cancellations are non-refundable but when possible registration may be applied to another class.

Paypal through teresamcox@comcast.net and e-mail the completed registration form.

or

Check addressed to Teresa Cox and mailed with this printed registration form to my address:

2871 Highview Terrace. Eagan, MN 55121
Directions and map are listed at www.teresacox.com
