

Shepherd's Hymn

word by Charles Wesley, music by Carl Thomas Gladstone

D sus4 Asus2 Dsus2
News they bring us of salvation,
D sus4 Asus2 Dsus2
Sounds of joy to employ
G A bm
Every tongue and nation, and nation
G A D (D sus4 Asus2 Dsus2)
Every tongue and nation.

Welcome tidings! To retrieve us
From our fall,
Born for all,
Christ is born to save us, to save us
Christ is born to save us.

Simple shepherds us God raises,
Bids us sing,
Christ the King
And show forth his praises, his praises
And show forth his praises

Sing we with the host of heaven,
Reconciled,
By a child,
Who to us is given, is given
Who to us is given.

Glory be to God the giver,
Peace and love
From above
Reign on earth for ever, for ever
Reign on earth for ever, for ever
Reign on earth for ever, for ever
Reign on earth for ever.
