

# O Astonishing Grace

words by Charles Wesley  
music by Carl Thomas Gladstone

G C G  
O astonishing grace,  
C G  
That the reprobate race  
G/F# em  
Should be so reconciled!  
C D  
What a wonder of wonders  
G  
that God is a child!

G C G  
Our Immanuel came  
C G  
The whole world to redeem,  
G/F# em  
And incarnated showed  
C D  
We all may again  
G  
be united to God!

[Chorus]  
am  
The Creator of all,  
bm  
To repair our sad fall,  
bm C  
From his heav'n stoops down,  
am D  
Lays hold of our nature,  
G  
and joins to his own.

G C G  
And shall we not hope,  
C G  
After God to wake up,  
G/F# em  
His nature to know?  
C D  
His nature is sinless  
G  
perfection below.

[Bridge]  
am  
To this heavenly prize,  
C  
By faith let us rise  
G D  
To God's image ascend,  
am D  
Apprehended of God  
G  
let us God apprehend.
