

# At last Death Sleeps

E            G/E A/E  
Happy morrow,  
E            G/E A/E  
Turning sorrow  
E            G/E A/E  
Into peace and mirth!  
E            G/E A/E  
Bondage ending,  
E            G/E A/E  
Love descending  
E            G/E A/E  
Over all the earth!

Seals assuring,  
Guards securing,  
Watch his earthly prison.  
Seals are shattered,  
Guards are scattered,  
Christ hath risen! He's alive!

G            A  
No longer must the mourners weep,  
C  
Nor call departed Christians dead;  
G            A7  
For death is hallowed into sleep,  
C            D  
And every grave becomes a bed.

Now once more  
Eden's door  
Open stands to mortal eyes;  
Now at last,  
Old things past,  
Hope, and joy, and peace begin;

Asus7            E  
For Christ hath risen, and we shall rise!  
Asus7            E  
For Christ hath won, and we shall win!  
Asus7            E  
To fall asleep is not to die:  
Asus7            E            (A D...)  
To dwell with Christ is better life.
